London, S.W.

Such communications should NOT be sent to the Printers or Publishers. They should be marked "On His Majesty's Service," and need not be stamped.

No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published.

The following Officers must send annually between 1st January and 31st March a notification to the Editor of their being alive, otherwise their names will be removed from the List:—

Officers on the Retired List who have commuted their Retired pay.

Officers retired with a gratuity.

Officers of the late Royal Naval Artillery Volunteers.

Officers on the Emergency List of over 55 years of age.

Retired or Honorary Officers of the Royal Naval Reserve must also send annually, between the same dates as mentioned above, a similar notification to the Registrar General of Seamen in order to prevent their names being removed from the List.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

The NAVY LIST is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any Entry in the Navy List.

By command of their Lordships,

807-8 HALF AND RETIRED PAY OF THE ROYAL NAVY.

EFFECT OF LOSS OF SENIORITY BY SENTENCE OF COURT-MARTIAL.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full, Half, and Retired Pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full, Half, and Retired Pay and gratuity, depend upon actual service.

Special Pensions, or gratuities in excess of the

In such cases the time served as Warrant Officers may be allowed to reckon as superior single petty time under Article 1938 of the King's Regulations.

RETIREMENTS, &c.

GENERAL RULES.—CONDITIONS OF RETIREMENT, &c.

NOTE.—For Tables of Full, Half, and Retired Pay, and Gratuities, see pp. 173, 193.

NAVAL OFFICERS.

I.—General Rules.

1. After retirement no increase of retired pay to be allowed to any Officer, except in the case of his retention in a Civil appointment at or under the Admiralty. The only addition possible will be in the form of Pension.

2. Power is reserved to the Admiralty to suspend at any time and with respect to any rank, the provisions of the Order under which an Officer may at his option retire at an age less than that fixed for compulsory retirement in each rank. It must be understood that optional retirement may be suspended in the case of any individual Officer to whose rank this clause applies without extending the suspension of optional retirement to other Officers of the rank.

The same power exists of suspending the provisions as to voluntary retirements.

3. Retirement from the Active List is not to disqualify any Officer for employment at or under the Admiralty.

4. The sentence of a Court-Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his half or retired pay or pension, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the half or retired pay, pension, or gratuity, depend upon actual service; but, although the time is forfeited, it is to be considered as service in reference to compulsory removal from the Active List.

5. (a) An Officer who, in the opinion of the Admiralty, by reason of an act or acts of misconduct or through intemperate or irregular habits of life has become unfit for, or, in the opinion of the Admiralty, is for any reason unworthy of, further employment, may be placed on the Retired or Pension List irrespective of Age or Service, whether he has been tried by Court-Martial or not.

(b) An Officer placed on the Retired List under Clause (a), may be granted such rate of Retired Pay, or such Gratuity, as the Admiralty may think fit, provided that the amount of Retired Pay shall in no case exceed the half-pay to which such Officer was entitled previous to retirement, and that the amount of the Gratuity awarded shall not exceed the commu-

tation value (as assessed by the Pensions Commutation Board) of such half-pay; and shall be less than the amount of Gratuity to which he would have been entitled under ordinary circumstances.

No Officer may, however, be granted Retired Pay in excess of the amount to which he would have been entitled under ordinary circumstances.

(c) An Officer who has had long and good service, but who is not entitled under ordinary Regulations to Retired Pay or Gratuity, in consequence of forfeiture of service by sentence of Court-Martial, may be awarded such Gratuity, not exceeding five hundred pounds (£500) as the Admiralty may think fit.

(d) An Officer dismissed the service by sentence of Court-Martial may be awarded a Compassionate Allowance not exceeding the lowest rate of half-pay of his rank; but the granting of such Compassionate Allowance shall be entirely at the discretion of the Admiralty.

No Officer may, however, be awarded a Compassionate Allowance in excess of the Retired Pay to which he would have been entitled, under ordinary circumstances, on retirement.

(e) Sub-Lieutenants and Assistant Paymasters, whether dismissed the Service by Court-Martial or placed on the Retired List under Clause (a) may be awarded gratuities not exceeding 25. for each year's service in these ranks, or 250. in all.

(f) Officers allowed to resign their commissions to avoid trial by Court-Martial may be granted such compassionate allowance as the Admiralty may think fit, provided that such allowance shall in no instance exceed one-third of the amount of half-pay to which the Officer was entitled at the time of resignation, and provided also that such allowance shall not in any case exceed 100. per annum.

(g) Commissioned Warrant Officers, Warrant Officers, and Officers of Coast Guard other than Commissioned Officers, placed on the Pension List under Clause (a) may be awarded such reduced rates of pension as the Admiralty may in each case determine.

(h) Nothing in these provisions shall prejudice or affect the power of the Admiralty to discharge or dismiss Officers, or shall confer on any person who has been removed from His Majesty's Service any right to half-pay, retired pay, or pension, compassionate allowance, or gratuity.

The expression "an Officer" in these regulations shall, unless the context otherwise requires, include Commissioned Officers, Warrant Officers and Subordinate Officers of all ranks.

In our Marine Forces for three years, unless he shall have been promoted from the ranks, when one year's service only as a Commissioned Officer shall be required. "In the case of an Officer placed upon temporary half pay in consequence of injuries caused in and by the service, we may, provided a Medical Board report that the Officer is unfit for further service, place such Officer upon permanent half-pay, after not less than one year upon temporary half-pay. In special cases in which the circumstances may appear to us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

"But such Retired Allowances, by way of annuity, are only to be granted in special cases, with the consent of the Treasury, and the rates are to be made so as to coincide, as far as may be, with the principle of a pension of 25*l.* a year at 42 years of age."

(*Extract from Order in Council of 30th November, 1883.*)
58.-(a) An Officer who becomes temporarily unfit for service in consequence of wounds or injuries received while on duty, or ill-health certified by the Medical Director-General to have been contracted in the Service, may, if the Admiralty considers the circumstances under which the disability was contracted are not such as to preclude the grant of half-pay, be granted half-pay until he recovers, and an opportunity occurs for his re-employment.

"Such Officer shall not, however, remain on half-pay beyond the date to which he would be otherwise subject to retirement, and he shall be subject to retirement as specified in the following clause."

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 31 to be Admirals, 37 Vice-Admirals and 51 Rear-Admirals; this reduction will be effected as follows, viz. :—

6. The Active Flag List to be reduced to 85:—

Admirals of the Fleet and Admirals . . . 31

(But not to be more than three Admirals of the Fleet at one time.)

Vice-Admirals . . . 33

EXTRACTS FROM THE KING'S REGULATIONS AND ADMIRALTY INSTRUCTIONS.

FROM CHAP. I.—GENERAL REGULATIONS.

4. The Officers, Men, and Boys of His Majesty's Fleet and the Royal Marines shall wear such uniforms as the Admiralty in pursuance of His Majesty's pleasure shall from time to time direct. See 154 *et seq.* (*Uniform Regulations*).

FROM CHAP. II.—CEREMONIES AND DISTINCTIONS.

§ XVI.—UNIFORM.

154. In accordance with the provisions of Art. 4 the Uniforms directed to be worn are specified and described in the Book of Uniform Regulations, and are also published from time to time in the Navy List.

2. The prescribed patterns are to be strictly adhered to.

When to be worn.

155. Every Officer from the time of his joining the Fleet, Squadron, or Ship to which he shall be appointed, to that of his being removed from it, shall wear the uniform established for his rank, except when he shall have leave from the Admiralty or the Senior Officer to be absent from his duty, or as hereinafter provided.

Public Occasions.

2. At Reviews, Public Balls, or Entertainments given by Naval or Military Authorities, by Civil Functionaries, or by Military Messes at ports at which their ships may be lying. Officers are to wear the uniform of their rank, as prescribed for the various occasions specified in the Uniform Regulations under "Dresses and occasions on which they are to be worn," and no deviations are to be authorised without special authority previously obtained from the Admiralty.

Not at Fancy Balls.

2. Officers are not to wear Naval Uniform at Fancy Dress Balls. They are not prohibited, however, from appearing at such Entertainments in uniforms of a date anterior to 1843.

Plain Clothes.

4. Permission may be given to Officers to wear plain clothes on ordinary leave.

Subordinate Officers.

5. Subordinate Officers when on ordinary leave are to wear the uniform of their rank; but permission may be granted to them to wear plain clothes when going into the country, or to ride, shoot, play cricket, or for exercise.

Foreign Ports.

6. In Foreign Ports great discretion should be exercised in allowing Officers to appear out of uniform, as in such cases they have no right to expect to be recognised as British Officers.

Marines.

7. Officers of the Royal Marines are to wear their full dress on the occasions when ball dress and frock coat with epaulettes dress are worn.

Officers on Retired and Reserved Lists.

156. Officers on the Retired and Reserved Lists whose names appear on the list of the Navy, are permitted to wear the uniform of their respective ranks on State and other occasions of ceremony.

167. The insignia of Knights Grand Cross, of Orders consisting of the Badge suspended from a broad ribbon over the shoulder, and the Star, are to be worn with full dress and ball dress; with the former the Ribbon should be worn under the epaulette and sword belt; with the latter, under the coat and over the waistcoat. With full dress, on collar days, the collar takes the place of the ribbon.

2. With frock coat and epaulettes the Star of the order only is to be worn. With frock coat the Star may be worn at discretion.

8. With all other uniform coats the rules laid down in clause 3 are to be observed.

Bar for Decorations, &c.

b. *Foreign Orders*.—In order of date.

c. *Foreign Decorations*.—In order of date.

d. *Foreign Medals*.—In order of date.

In Undress Uniform no Badge of an Order will be worn round the neck except the Order of Merit.

* These orders are not worn in miniature.

† Order of Merit comes immediately after G.C.B., it is not worn in miniature, but is to be worn round the neck on all occasions.

‡ The Indian Order of Merit (Military and Civil) is distinct from the Order of Merit instituted in 1902.

‡ If more than one of these medals is awarded for the same act of gallantry, only one medal may be worn, viz., that which appears highest in the list.

Bar, Full Dress.

11. On the full dress coat the bar must not project beyond the centre seam, and when the Decorations, Orders, and Medals cannot on account of their number be suspended from the bar so as to be fully seen, they are to overlap, the highest showing in full.

Bar, ball dress.

12. With ball dress the bar is to go over the lapel, if necessary, but not beyond, and if from the number of Decorations, Orders and Medals, it should be too long to be worn conveniently, miniatures may be worn in lieu.

Buckles of Companions of Orders.

13. The Buckles of the Companions of the Orders of the Bath and of St. Michael and St. George, are, as part of the Badge of the Order, to show half way between the upper and lower edge of the ribbon.

Medals awarded by Societies.

14. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left, and on the same horizontal line.

If the Stanhope Gold Medal is awarded to an officer or man by the Royal Humane Society, it is to be worn in place of, and not in addition to, the Silver Medal previously granted.

Description of bar.

15. In all cases the bar for the suspension of Decorations, Orders and Medals is to be provided at the expense of the wearer. It may be of any metal or material, and of any pattern consistent with the above instructions, provided that the bar and the buckle are wholly concealed by the ribbons.

Length of ribbons.

16. The ribbons of Decorations, Orders and Medals are to be of the following lengths—

<i>a. When Decorations, etc., are worn:—</i>				
Full size	..	..	..	1 inch
Miniature	..	..	..	$\frac{3}{4}$ inch
<i>b. When ribbons alone are worn:—</i>				
Full size	..	..	..	$\frac{1}{2}$ inch
Miniature	..	..	..	$\frac{3}{8}$ inch

These lengths are not to be exceeded, unless, in the case of medals, the number of clasps should necessitate it.

Ribbons sewn on the coat.

17. When ribbons, either full sized or miniature are required to be sewn on the uniforms, the same order of arrangement is to be followed, as

that laid down in clause 10, for Decorations, Orders and Medals. Knights Grand Cross and Knights Commanders will however add the ribbon of a Companion of the order, or orders, to which they belong under clauses 3 and 6. The ribbons are to be sewn plain on the cloth of the uniform, without intervals; and when the space between the shoulder to the edge of the lapel is insufficient to accommodate them in one row, they are not to be made to overlap as on the bar but are to be arranged in two or more rows placed immediately under each other, with an interval of $\frac{1}{4}$ inch intervening between each row.

Ribbons of Orders and Medals to wear which private permission has been given, are not to be sewn on the coat.

Decorations, &c. with White Uniform.

18. With white undress, Decorations and Medals or ribbons of Decorations and Medals are to be worn as prescribed for the dress in lieu of which white undress is being worn. The broad ribbon of Knights Grand Cross should be worn under the shoulder strap.

When worn with white uniform the ribbons of Decorations and Medals are to be placed on a removable bar.

Miniature Decorations, Badges and Medals.

19. Miniature Decorations, Badges of Orders, and Medals are to be arranged on a bar in the same manner and order as the full-sized. Knights Grand Cross and Knights Commanders will wear thereon, senior to all other Decorations, &c., except the Victoria Cross, the miniature Badge of the Order, or Orders, to which they belong, omitting the Buckle in the case of the Orders of the Bath and of St. Michael and St. George.

The precedence of the various Orders of Knighthood concerned is as shewn in clause 10 for the Companions of those Orders.

20. If necessary the bar should extend over the lapel of the coat.

Decorations, &c., may be worn with plain dress.

21. Stars of the Orders and miniature Decorations, Badges of Orders, and Medals, are authorised to be worn in evening dress (plain clothes) in the presence of members of the Royal Family or Viceroy, and of Governors-General, and on public and official occasions.
22. Only one set of miniatures need be maintained. The miniatures of companionship or membership will not be removed when the ribbon or badge of a higher order is worn by Knights Grand Cross, Knights Commander, &c.

Retired Officers.

23. Retired officers are authorised to wear Stars and Badges of Orders, and miniature Decorations and Medals in evening dress on all public and official occasions.

So as not to necessitate all badges being changed when a special qualification is altered, stars are supplied independent of badges, and capable of being sewn on or removed as necessary. Spare crowns are also supplied separately, so that in case of a man being given an Instruction Rating etc., the badge already in his possession can easily be altered.

PRIZES, TESTIMONIALS, &c.

THE BEAUFORT TESTIMONIAL.

The Beaufort Testimonial, which was founded in 1900 to commemorate the service of Rear-Admiral Sir Francis Beaufort, K.C.B., who filled the post of Hydrographer of the Navy from 1829 to 1855, consists of a prize of instruments or books of a professional character and of practical use to a Naval Officer.

It is bestowed annually on the Midshipman who passes the best examination in Navigation and Pilotage for the rank of Lieutenant in the Royal Navy.

THE WHARTON TESTIMONIAL.

The Wharton Testimonial was founded in 1907, to commemorate the service of Rear-Admiral Sir William J. L. Wharton, K.C.B., F.R.S., who filled the post of Hydrographer of the Navy from 1884 to 1904. It exists for the same purpose as the Beaufort Testimonial. The funds available amount to about £350. The interest on a portion of this sum will be added to the interest on the capital of the Beaufort Testimonial, and the total amount will be employed in purchasing some instrument or work of a kind to be practically useful to a Naval Officer. The interest on the remaining sum will be used to purchase for the winner of the joint prizes a gold medal having on the obverse a bust of the late Sir William Wharton and on the reverse a suitable inscription.

The two awards for the same object will be given annually under the names of "The Beaufort Testimonial and the Wharton Testimonial," thus associating the names of two Hydrographers of the Navy.

THE GOODENOUGH MEDAL AND FUND.

The Goodenough Fund—founded in memory of the late Captain James G. Goodenough, C.B., G.C.M., who died on 20th August, 1875, whilst serving as Commodore on the Australian Station, from wounds inflicted with poisoned arrows in an unprovoked attack by natives of Santa Cruz—consists of a sum of about 800*l*. The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is conferred on the Sub-Lieutenant who, when qualifying for the rank of Lieutenant, passes the best examination of his year in Gunnery, provided he has also taken a first-class certificate in Seamanship. Any balance that remains after payment of expenses is also handed over to him.

THE GILBERT BLANE MEDAL.

In 1880 the late Sir Gilbert Blane, Baronet, formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, a fund for the encouragement of Naval Medical Science, which is vested in the Corporation of the Royal College of Surgeons of London, in trust.

This Fund is employed for the purpose of conferring a gold medal annually on the Medical Officer who obtains the highest aggregate marks at the examinations for promotion to the rank of Staff Surgeon, the award being subject to the approval of the Presidents of the Colleges of Physicians and Surgeons respectively and the Director-General of the Medical Department of the Navy.

If in any year no Medical Officer passes a sufficiently meritorious examination to entitle him to the award of the Medal it is held over until the following year, but not more than two medals may be awarded in any one year.

If the unawarded Medals exceed four, their value is given to the Supplemental Fund for the children of Medical Officers.

CHADWICK NAVAL PRIZE.

A Trust, called the Chadwick Trust, has been created by the will and codicil of the late Sir Edwin Chadwick, K.C.B., that once in every five years the Trustees may present the sum of £100 and a Gold Medal, to be called the "Chadwick Naval or Military Prize," to such Officer of the Naval or Military Medical Services as shall during the preceding five years, have specially assisted in promoting the health of the men in the Navy or the Army, and shall be nominated for such presentation, in the case of a Naval Officer, by the Director-General of the Medical Department of the Navy.

THE NEWMAN MEMORIAL FUND AND PRIZE

The Newman Memorial Fund—founded in memory of the late Mr. Edward Newman, R.N., who died whilst serving as Chief Engineer of H.M. Dockyard at Portsmouth—consists of a sum of about 400*l*. The interest of this sum is employed annually in providing a prize consisting of books, scientific instruments, etc., which is conferred on the Lieutenant R.N., qualifying for Engineering duty, who takes the first place at the Examination in Practical Engineering held on the completion of his original course of specialising in Engineering.

SHADWELL TESTIMONIAL PRIZE.

The Shadwell Testimonial Prize, founded in 1888, in memory of the late Admiral Sir Charles F. A. Shadwell, K.C.B., who died 1st March, 1886, will be known as the "Shadwell Testimonial," and will consist of a Pocket Sextant, or other instrument (as funds will admit), of use in Navigation or Marine Surveying.

It will be bestowed annually on the Officer of a rank not higher than Lieutenant-Commander, and who has never been classed as an Assistant Surveyor, who has sent in through his Captain the most creditable plan of an anchorage, or other marine survey, accompanied with sailing directions, recently executed by himself.

The award will be made on the plans received at the Admiralty during each calendar year, by a Committee consisting of the Hydrographer, the Assistant Hydrographer, and Surveying Officer in charge of the Chart Branch at the Admiralty; and they will be empowered to make no award, should they judge the plans received during the year not to be sufficiently meritorious.

In case of co-operation in the production of a plan, a junior officer, who has assisted materially in its construction, may participate in the reward, should the funds be sufficient.

The first award was made on the plans received during 1889.

THE RYDER MEMORIAL FUND AND PRIZE

The Ryder Memorial Fund—founded in memory of the late Admiral of the Fleet, Sir Alfred Philipps Ryder, K.C.B., who died on the 30th April, 1888—consists of a sum of about 160*l*. Invested in Government securities.

The dividend arising from this sum is employed annually in the provision of a prize of a book or books, to be awarded to the Lieutenant who takes the first place in French at the annual examinations in foreign languages, a colloquial knowledge of the language being necessary to render a candidate eligible for the award of the prize.

The Ryder Prize may be withheld in any year if considered advisable.

PRIZES, TESTIMONIALS, &c.—*continued.*

THE COMMANDER EGERTON PRIZE

This prize was founded in 1801 in memory of the late Commander Frederick Greville Egerton, R.N., who was mortally wounded on the 2nd November, 1899, in the defence of Ladysmith, whilst acting in the execution of his duty.

The dividends arising from a sum of £500 given by the Relatives and invested in Government securities will be employed in providing the prize, to be called "The Commander Egerton Prize," which will be awarded annually, at the discretion of the Admiralty to the Officer who, when qualifying for Gunnery Lieutenant, passes the best examination in practical Gunnery.

RONALD MEGAW MEMORIAL PRIZE.

This Prize was founded in 1906 in memory of Midshipman Ronald Megaw, who was killed accidentally on the 11th November, 1904, while at General Quarters on Board H.M.S. "Montagu."

The interest on a sum of £1,000, given by the Father, and held upon trust by the Admiralty, is employed in providing a prize, consisting of a Presentation Sword and its accoutrements, and selected books or instruments, to be awarded annually to the Sub-Lieutenant who obtains the highest place during the preceding year in the various examinations prescribed for Officers qualifying for the rank of Lieutenant.

THE GRAHAM NAVAL HISTORY PRIZE.

This Prize was founded in 1909 by Lady Graham in memory of her husband, Admiral Sir William Graham, G.C.B., formerly Captain of H.M.S. "Britannia," Training Ship for Naval Cadets.

The interest on a sum of £252 Government Stock, held upon Trust by the Admiralty, is employed in providing a Prize for the Cadet of the 4th, 5th, or 6th Term at the Royal Naval College, Dartmouth, who obtains the highest place in a voluntary examination on a special book or period of Naval History.

The Prize consists of books, instruments, accoutrements or other articles selected by the successful competitor, subject to the discretion of the Captain of the College.

THE OGILVY MEDAL.

This Medal was instituted in 1912 in memory of the late Captain Frederick Charles Ashley Ogilvy, R.N., who died on the 18th December, 1909, from typhoid fever, while in command of H.M.S. "Natal."

The dividends arising from a sum of about £200 given by Officers of His Majesty's Navy and also certain friends and relatives are employed in providing a medal, to be called "The Ogilvy Medal," which is awarded annually, at the discretion of the Admiralty, to the Officer who takes the first place in the examination to qualify for Torpedo Lieutenant. Any balance that remains after payment of expenses may be handed over to the winner of the medal at the discretion of the Admiralty.

KING GEORGE PRIZE SCHOLARSHIPS.

In accordance with the wishes of H.M. the King that the greater part of the Fund subscribed for the purpose of commemorating His Majesty's Coronation by subjects of His Majesty bearing the Christian name "George" in all parts of the Empire should be utilised for the benefit of junior Officers of the Royal Marines who may find difficulty in meeting the cost of the final stage of their military training, the sum available was invested and the income arising therefrom was devoted to the institution of Scholarships termed the "King George Prize Scholarships." One Scholarship is awarded each year to the Officer in the Royal Marines who, as a result of the annual competitive examination, is selected by the Admiralty for admission to the Military Staff College at Camberley.

Each Scholarship is tenable for two years and ordinarily consists of half the net income for the year derived from the Fund, estimated approximately at £97 10s.

The first Scholarship was awarded in 1914.

ENTRY AND EXAMINATION OF OFFICERS.

NAVAL CADETS.

REGULATIONS FOR ENTRY AND TRAINING
AT THE ROYAL NAVAL COLLEGES AT
OSBORNE AND DARTMOUTH, AND ON
BOARD THE TRAINING CRUISERS.

1. No nomination is required by a Candidate for a Naval Cadetship. All that is necessary is to send an application to the Assistant Private Secretary to the First Lord of the Admiralty. Applications should not be made until the Candidate has reached 12½ years of age.

2. Candidates must be of pure European descent, and the sons either of natural born or naturalized British subjects. In doubtful cases the burden of clear proof will rest upon the parents or guardians of Candidates.

3. All Naval Cadets entered under these regulations are trained together until they pass for the rank of Lieutenant.

After passing for the rank of Lieutenant, they may be required to serve either as general service Officers or in one of the special branches, undertaking either Engineering, Gunnery, Torpedo, Navigation, or Marine duty.

As far as possible Officers selected for special service will be allowed to choose the branch in which they will qualify, subject to the proviso that all branches are satisfactorily filled.

Parents or guardians of Candidates for appointment as Naval Cadets must undertake for them that they are prepared to serve in any branch if required.

4. Parents or guardians are required to declare in writing their intention that the Candidate, if he obtains a Cadetship, shall adopt the Navy as his profession in life; and it is subject to this undertaking that Candidates are selected for Cadetships. Every Cadet who enters the Royal Naval College must therefore be prepared to continue his training so long as the Admiralty are satisfied with his progress, and parents are not at liberty to withdraw their sons at will.

On the entry of a Cadet, parents or guardians will be required to undertake that, in the event of his withdrawing or being withdrawn from the College, or from the Navy before being confirmed as a Sub-Lieutenant, they will pay to the Admiralty, if de-

manded, the sum of £25 per term in respect of each term passed by him at the R.N. Colleges, Osborne and Dartmouth, from the date of his entry to the date of his withdrawal, as a contribution towards the balance of the cost of his training and maintenance not covered by the annual payment of £75 mentioned in para. 16.

This undertaking does not apply to Cadets with-drawn at the request of the Admiralty.

5. Entries take place three times a year, in January, May, and September

Candidates for entry in January must be more than 13 years and 4 months but not more than 13 years and 8 months of age on the preceding - - - 1st December.

Do. do. May do. - 1st April.

Do. do. September do. - 1st August.

e.g. Candidates born on or between - - - entry in -

1 April (1902) and 31 July (1902) - - - January (1916)

1 August (1902) and 30 November (1902) - - - May (1916)

1 December (1902) and 31 March (1903) - - - September (1916)

6. All Candidates (except those being educated in the Colonies, who have received special Colonial recommendations under para. 10), will be required to present themselves before a Committee, which will interview each applicant separately.

The applications must be received at the Admiralty:—

For the January examination before 1st October.

Do. May do. do 1st January.

Do. September do. do 1st May.

Appointments to Naval Cadetships are made by the First Lord from among Candidates recommended by the Committee, and all such appointments are subject to the Candidate passing a Medical Examination (*vide* par. 8) and a Qualifying Examination in educational subjects (*vide* para. 9).

The fact, however, of a Candidate being invited to appear before this Committee is not to be understood as in any degree implying that he will necessarily be chosen to attend the qualifying examination.

The Interview Committee will sit shortly before the date fixed for each Qualifying Examination.

* Candidates are eligible only for one Interview and Qualifying Examination.

7. The Qualifying Examinations are held in December, March and July, and the appointments of successful candidates date from the 15th January, 15th May, 15th September, following respectively.

8. Every Candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any

* Candidates, however, who were unsuccessful under the old regulations may again present themselves under the new rule as to age which is stated in paragraph 5.

Should any case occur where a selected Candidate is prevented by illness from attending the Qualifying Examination, the Admiralty will consider whether special arrangements can be made for him to be examined by the Head Master of the Royal Naval College, Osborne, at the beginning of the ensuing term.

predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age. Before undergoing the Qualifying Examination he is required to pass the medical examination according to the prescribed regulations, and must be found physically fit for the Navy.

It should be particularly noted that full normal vision—as determined by Snellen's tests—is required. A memorandum is issued by the Admiralty which gives details of the physical requirements of Candidates. A Medical Board of Appeal has been instituted to meet cases in which the Parent or Guardian of a Candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director-General of the Medical Department of the Navy, a physician nominated by the Medical Consultative Board, and a specialist in the particular defect which caused the disqualification of the Candidate, to be selected from a list drawn up by the Consultative Board.

In the event of the rejection on medical grounds of a Candidate who would otherwise have been selected for the Qualifying Examination, the Parent or Guardian will at once be informed that, subject to the payment of a fee of four guineas, the Candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the Parent or Guardian to the Director-General of the Medical Department, Admiralty, within a week of the first Medical Examination. The notification must be accompanied by a cheque for four guineas made payable to the Accountant General of the Navy.

3. The Qualifying Examination is in the following subjects:—

(1.) English (including writing from dictation and reproduction of the gist of a short passage twice read aloud to the Candidates.

(2.) History and Geography, with special reference to the British Empire.

(3.) Arithmetic and Algebra (two-thirds of the questions in this paper will be on Arithmetic. The use of Algebraic symbols and processes will be allowed).

Arithmetic. The simple and compound rules, avoirdupois weight, linear and square and cubic measures, the elementary mensuration of rectangular surfaces and volumes, measure of capacity (pints, quarts, gallons), the metric system (the metre, gramme, and litre, with their multiples and sub multiples), money (including the relationship of the cent to the dollar, and the centime to the franc), reduction, factors, the addition, subtraction, multiplication, division and simplification of vulgar fractions, non-recurring decimal fractions, simple proportion, ratio and percentage, simple interest.

Algebra. The meaning of algebraic symbols substitution of values, easy identities, equations of the first degree, including simultaneous equations, verification of the solution of equations, problems leading to simple equations, multiplication and division by binomial operator, easy factors (excluding sum and difference of cubes), fractions with numerical denominators.

(4.) Geometry. The paper will consist of questions both on Practical and Theoretical Geometry.

All Candidates must be provided with a ruler graduated in inches and tenths and also in centimetres and millimetres, a small set square, a protractor, pencil compasses, and a hard pencil.

Any proof of a proposition will be accepted which appears to the Examiner to form part of a systematic treatment of the subject. Simple deductions from specified theorems will be set.

Proofs of the validity of constructions will not as a rule, be expected, but they may be asked for,

Practical Geometry.

Theoretical Geometry. The facts stated in the following theorems, together with riders on them, but without formal proofs of the theorems:—B, 1—11. Formal proofs of the following theorems, together with riders on them:—B, 14—19, 21, 22.

Note.—Schedules of the Geometry are attached to the regulations issued, and may be obtained on application to the Admiralty. The numbers in the Schedules correspond to those in the Geometry Schedule of the Common Examination for entrance to Public Schools, as reprinted from the Cambridge University Ordinances.

(5.) French or German, with an oral examination, to which importance will be attached.

(6.) Latin (easy passages for translation from Latin into English and from English into Latin, and simple grammatical questions).

The list of successful Candidates will be published in alphabetical order. A certain number of successful Candidates who are highly recommended by the Interview Committee and who also show excellence in the Examination will receive "Honourable Mention," and will be distinguished by an asterisk in the list of successful candidates.

10. The Governments of certain Dominions and Colonies are allowed to recommend specially (through the Secretary of State for the Colonies) a certain number of Candidates annually from among boys belonging to families resident in the Dominions and Colonies.

Unless such Candidates, however, actually reside and receive their education in their own Dominion or Colony, they must be also recommended by the Interview Committee, and must pass the Qualifying Examination and the Medical Examination.

11. Naval Cadets will undergo a course of instruction in the Training Establishments for a period of four years, of which two years will be at Osborne, and the remainder at Dartmouth. On passing out of the College at Dartmouth they will continue their training for a period on board a Special Training Cruiser and will then be sent to the sea-going Fleet as Midshipmen.

* **NOTE.**—Copies of the papers set at the examinations held in each year are printed by the Oxford and Cambridge Schools Examination Board, and may be obtained on application to the Secretary of the Admiralty free of charge. It should be noted, however, that the questions in papers set under these regulations will be slightly more advanced than those set prior to September 1913, in consequence of the age of entry being raised.

12. The following are the approximate dates for the beginning and the end of the three terms at the Colleges:—

At Osborne.

16th January to 8th April,
8th May to 30th July,
19th September to 17th December.

At Dartmouth.

16th January to 15th April,
8th May to 6th August,
19th September to 17th December.

The vacations at the Colleges are as follows:—

At Osborne.

Four weeks at Christmas,
Four weeks at Easter,
Seven weeks at Midsummer.

At Dartmouth.

Four weeks at Christmas,
Three weeks at Easter,
Six weeks at Midsummer.

13. The friends of the Cadets must be prepared to receive them during all the Vacations.

14. All Naval Cadets shall be subject to the Regulations for the time being in force respecting Cadets while at the Royal Naval Colleges at Osborne and Dartmouth and on board the Training Cruisers.

15. For all Cadets entering under these regulations payment will be at the rate of £75 per annum for the period under training at the Colleges, to be paid in sums of £25 every term in advance to the Cashier of the Bank of England on receipt of claim from the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the Cadets entered on each occasion subsequent to November, 1913, a number not exceeding 25 per cent. of the entries, with respect to whom the annual payment will be £40 only to be paid in sums of £13 6s. 8d. every term in advance. A proportion of those admitted at the reduced scale will be sons of Officers of the Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, the reduced scale being reserved for such boys up to a maximum of 10 per cent. of the total entries on each occasion. The reduced scale will be allowed only in cases where the pecuniary circumstances of the parents are, in the opinion of the Lords Commissioners of the Admiralty, such as to justify it. Forms of application for admission at the reduced scale will be issued in respect of all candidates who are selected* after interview to attend the Qualifying Examination, and when duly filled in should be returned as soon as possible by such parents as desire to make application for the reduced scale.

Claims will be made upon the Parents or Guardians by the Accountant-General of the Navy for the sums payable as they become due, and the money should be at once remitted.

16. In addition to the above payments, any expenses incurred by a Cadet for clothing, sports, books, instruments, washing, &c., as well as the allowance of a week paid as pocket-money, are included in the personal account sent to the Parent from the College as soon as possible after the end of each term.

17. No pay is allowed by Government to the Cadets in the Colleges, except in the case of Cadet Captains, who receive a small weekly allowance.

The pay of Cadets in the Training Cruisers is 1s. a day, and that of Midshipmen is 1s. 9d. a day.

18. The fees specified in paragraph 15 will cease on the Cadet joining the Training Cruiser. Parents or Guardians will then be required to make the Cadet a private allowance of £30 a year until he reaches

the rank of Acting Sub-Lieutenant, and thereafter a private allowance of £20 a year for so long as he remains an Acting Sub-Lieutenant with pay at the rate of 3s. 6d. a day.

19. The parent or guardian of every Cadet is required to provide outfit under the regulations in force.

20. All travelling expenses for Cadets are advanced by the Paymaster of the College, who will charge the sum to the Cadet's personal account.

21. Inasmuch as the Cadets have a weekly allowance paid to them as pocket money, and a charge is made to pay the expenses attending their amusements, it is unnecessary that their friends should give them any money except on joining, or on their return from the Vacations, and the amount should then be reasonable. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain.

22. Any valuable Gold Watches or Chains brought by Cadets to the Colleges will be taken from them and placed in security until the Cadets return home. Silver Watches may be used.

23. Arrangements are made for the conveyance from Portsmouth to Osborne of the Cadets who are joining the College for the first time. Such Cadets should assemble at the Dockyard Gates near Portsmouth Harbour Station shortly before 3 p.m. on the day appointed for joining. Cadets rejoining the College will be expected to make their own arrangements for doing so.

24. Cadets are to bring their linen clean, and Clothes and Boots in good order, when they join the College, and also when they return from leave, and the outfit, as specified on the next page, must be complete. A list of the clothes left behind will be sent with the Cadets when they go on leave.

25. Cadets are not permitted to open accounts with Tradesmen. Parents and Guardians are requested not to allow their sons' outfit to supply clothes or other articles without their authorisation.

26. Each Cadet on joining and on returning after the Vacations is required to produce a health certificate signed by his parent or guardian, not earlier than the day before the Cadet's return to the effect that, so far as is known, he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease has existed. A certificate drawn up in the necessary form, is sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, or his return will entail his not being received.

In the event of a Cadet being placed on the Sick List, information is always sent to his Parents or Guardians, who are also kept informed of the progress of the patient should the illness be in the slightest degree serious.

27. Letters relative to the Cadets should be addressed to:—*"The Commanding Officer, Royal Naval College,"* or *"The Commanding Officer, H.M.S. ———,"* and not to the Captain by name.

Parents or Guardians of Cadets must, in all cases of permanent change of residence, inform the Admiralty and the Commanding Officer of the College or the Cruiser without delay.

28. The course of study includes the following subjects:—

Mathematics, with Geometrical Drawing.

Physics and Chemistry.

Mechanics, and applied Mechanics with laboratory work.

Applied Electricity, with laboratory work.

Engineering, with workshop practice and Mechanical Drawing.

Seamanship, with Gunnery in the Training Cruiser.

* Parents abroad will however, be furnished with forms of application, prior to this section if they so desire.

Navigation.

French or German.

English Grammar and Composition.

English Literature.

History, including Naval History.

Geography.

Bible Study.

Drill and Physical Training.

A large proportion of the time of the Cadets is given to the practical study of Engineering in the Workshops and Instructional Steamboats attached to the Colleges, and also in the Training Cruisers.

29. In all subjects of instruction, the principle will be followed of giving merit marks for current work. At the end of each term the Cadet's proficiency and progress will be tested partly by examination and partly by the marks gained for current work.

30. The passing-out examination of Cadets is representative of all subjects studied at the College, with the exception of Religious Knowledge, which does not form part of the official examination. Marks for work done during previous terms are combined with the marks directly awarded in the examination.

First, Second and Third Classes will be awarded, and the class obtained in passing out from the College counts afterwards towards promotion to the rank of Sub-Lieutenant, promotion being accelerated according to the following scale:—

For a First Class - 2 months.
For a Second Class - 1 month.

Time will also be awarded for the course in the Training Cruiser which will similarly count towards promotion to Sub-Lieutenant:—

For a First Class - 1 month.
For a Second Class - $\frac{1}{2}$ month.

The greatest amount of time that can be gained on passing out as Midshipman is accordingly three months.

31. Cadets may be required to withdraw at any time if in the opinion of the Lords Commissioners of the Admiralty:—

- (1) They fail to reach a satisfactory standard, or
- (2) Their conduct is unsatisfactory, or
- (3) They are unsuitable for the Naval Service.

2. It is to be distinctly understood that the period of training, including the time spent in the Training Cruiser, is a time of probation, and the parent or guardian of a Cadet is required to withdraw him immediately on the receipt of an official request for his withdrawal.

33. When a Cadet is found to be making insufficient progress a letter is sent to his Parent or Guardian warning him of the possibility of having to withdraw the Cadet unless a marked improvement takes place. This warning is generally issued a term in advance, so enable the Parent provisionally to make other arrangements for continuing the boy's education in case his withdrawal should become necessary.

By Command of their Lordships,

W. GRAHAM GREENE.

REGULATIONS RESPECTING SEXTANTS.

Cadets when entering on their fifth term at Dartmouth should already have procured a Sextant in a box, such instrument being obtained by parents; a leather case is not necessary.

Any new Sextant must be approved by the Captain of the College and must have the following qualifications:—

1. Strong frame and well finished in all respects, all loose fittings to be stamped with the number.

2. Radius not to be less than 6 $\frac{1}{2}$ inches to middle of the graduation.

3. Arc distinctly cut, and to read to 10 seconds up to at least 125° on, and 5° off, the arc, the vernier being divided three divisions to the right of the index.

4. Shades to be of neutral tint and of satisfactory densities.

6. Adjusting screws to mirrors to be placed in positions as little exposed as possible, preferably at the base of the mirrors, to be recessed so as to be moved by a squared key or screw-driver and fitted with covers.

7. Two shades for eyepieces of different intensities to be ground conical, to slip on, not screw.

8. Handle to be of good size.

9. Each Sextant must be accompanied by a Kew Certificate, Class A.

10. A button over the handle besides the usual checks for keeping the instrument in place when the lid is closed. Box to have recessed hooks for securing the lid, and a recessed handle.

11. No Sextants will be accepted in which the unsilvered portion of the horizon glass is absent, or the telescope so fitted as not to be entirely removable in one piece, and the horizon glass should have a minimum width of 1-1 $\frac{1}{2}$ inch.

12. The name of the owner to be on both Sextant and box.

Sextants possessing the necessary qualifications can be obtained from various makers.

Sextants presented to Cadets which have belonged to parents or others are not required to conform rigidly to the standard, provided they are of radius not less than that prescribed and are considered suitable by the Captain of the College, but no Sextant can be accepted unless accompanied by a Kew Certificate Class A.

863 "CONWAY" CADETS.—SPECIAL ENTRY OF CADETS.

REGULATIONS FOR THE ENTRY INTO THE R.N. COLLEGE AT DARTMOUTH OF CADETS FROM THE "CONWAY."

1. Six nominations to cadetships in the Royal Naval College, Dartmouth, will be granted annually to the "Conway," training ship of the Mercantile Marine.

2. Shortly before the end of each Term, the Committee of the "Conway" may nominate two Cadets from their training ship, for admission to the College as Cadets of the Royal Navy, subject to their passing a qualifying examination and satisfying the conditions specified below.

Should the Committee, in addition to the authorized number of nominations, wish to recommend any specially desirable candidate, his case will receive consideration.

Each Cadet so nominated will be required to pass an examination shewing that he has reached the same general standard of training as is reached by Naval Cadets on leaving the Royal Naval College, Osborne.

3. The Examination will be conducted near the end of each Term, i.e., about April, August and December, at the Royal Naval College, Osborne, and will include tests in practical knowledge of the use of tools and workshop processes as well as papers on the subjects dealt with in the Osborne curriculum.

The Candidates, if successful, will be admitted to the Royal Naval College, Dartmouth, from the beginning of the Term in January, May, or September following the examination.

4. Each Candidate must possess the following qualifications—

(a.) He must be of very good character and conduct, and in all respects fit for entry into H.M. Navy.

(b.) For the entry in September 1915 and subsequently the new rule will come into force, viz.:—That a Cadet from the "Conway" must be more than 15 years, but not more than 15 years 4 months of age on the 1st April, 1st August, or 1st December for the examinations in April, August or December.

(c.) He must have served in the training ship 1 year and 8 months, i.e., 5 terms, there being 3 terms a year.

(d.) He must have spent not less than one fourth (or the equivalent of 5 months) of his service in practical mechanical work under conditions satisfactory to the Admiralty.

(e.) Before attending the qualifying examination he must pass the medical examination for the Navy, according to the prescribed regulations.

5. The following certificates must be forwarded at the time the candidates are nominated—

- (a.) Certificate of birth.
- (b.) Do. conduct.
- (c.) Do. ability to swim.
- (d.) Do. time served in training ship.
- (e.) Do. time spent in practical mechanical work, with particulars of training.

The name and address of the parent or guardian must also be supplied.

6. The regulations as to the provision by parents or guardians of the outfit, payment of fees and other expenses, while the Cadet is at Dartmouth, and the private allowance after passing out, will be the same as those with respect to other Naval Cadets.

7. Cadets entering under these regulations will be subject in all respects to the same discipline and conditions of service as other Cadets during their period of training at the R.N. College, Dartmouth, and will be liable to removal for the same causes.

On passing out, they will be treated in the same manner as the other Cadets, and will rank according to the time gained and their position on the list.

Note.—Application for entry in the "Conway" should be made to the Commanding Officer, School Ship "Conway," Rock Ferry, Cheshire.

By command of their Lordships,

Admiralty, Dec., 1913.

W. GRAHAM GREENE.

SPECIAL ENTRY OF NAVAL CADETS.

REGULATIONS FOR THE SPECIAL ENTRY OF NAVAL CADETS, WHICH WILL REMAIN IN FORCE AFTER THE YEAR 1916, UNTIL FURTHER NOTICE.

Note.—The Regulations for the entry and training of Naval Cadets at the Royal Naval Colleges at Osborne and Dartmouth are contained in a separate document which can be obtained on application to the Secretary of the Admiralty, Whitehall, S.W. These regulations are given at pages 856-861. The scheme of entry through Osborne and Dartmouth is the main method by which Officers are admitted to the Royal Navy. During the years 1915 and 1916, however, a supplementary scheme of special admissions has been arranged, which is called the "Special Entry" Scheme. The Regulations regarding this "Special Entry" scheme are contained in the present pamphlet.

1. A number of Naval Cadets will be admitted under the following Regulations in each of the years 1915 and 1916.

2. Candidates for admission must be not more than 18 or less than 17½ years of age on the 1st of June of the year in which the examination is held. No nomination is required. Applications should be made to the Secretary of the Admiralty, Whitehall, S.W., not later than the 1st April. A form of application to be filled in by the parent or guardian of the candidate may be obtained from the Admiralty.

3. Candidates must be of pure European descent, and the sons either of natural born or naturalised British subjects. In doubtful cases the burden of clear proof will rest upon the Candidate. Candidates must be unmarried.

4. Applicants who satisfy these conditions will be invited to appear before a Committee at the Admiralty. This Committee will interview each Candidate and examine credentials furnished by the headmaster of the school he is attending or last attended. A report will be obtained before

from the headmaster for the information of the Committee as to the Candidate's conduct, abilities past training and general promise of suitability. On the report of this Committee it will be determined whether the Candidate shall be admitted to compete. Candidates will be required to pass at the same time a Medical Examination, according to the prescribed regulations, as to their physical fitness for the Navy.

5. Every candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age.

It should be particularly noted that full normal vision—as determined by Snellen's tests—is required for Candidates for Naval Cadetships. A memorandum is issued by the Admiralty which gives details of the physical requirements of Candidates. (See page 864.)

6. Candidates admitted to compete will present themselves for examination in June by the Civil Service Commissioners. Particulars of the examination can be obtained from the Secretary, Civil Service Commission, Burlington Gardens, W. (See also Appendix I. attached.)

By arrangement between the Admiralty and the War Office a candidate who is admitted to compete in the examination for special entry as a Naval Cadet may, if he so desires, and provided he fulfils all the necessary conditions, present himself at the same time for admission to the Royal Military Academy, Woolwich, or Royal Military College Sandhurst, or to Supplementary first appointment in the Royal Marines, in which case he must ex-

definitely his order of preference* before the examination has begun. For particulars of the conditions of entry to the Royal Military Academy and Royal Military College, application should be made to the Secretary, Civil Service Commission.

Regulations for Supplementary Recruitments in the Royal Marines may be obtained from the Secretary of the Admiralty. (See page 84.)

7. A list of successful candidates in order of merit will be published by the Civil Service Commission.

8. Successful Candidates will be appointed as Cadets to undergo a course of training for a period of 1½ years. During this period they will be accommodated on board a cruiser, part of the instruction being given on board and part on shore.

On completing this course, and passing out satisfactorily, they will join the Fleet as Midshipmen. They will become Midshipmen later in age than Cadets who enter through Osborne, but their service in that rank will be shorter, with the general result that except for the effect of the accelerated promotion which they may obtain by doing well in their final examinations, their age will usually be about a year more on attaining the rank of Lieutenant. This will be no bar to their advancement according to merit. The same subsequent career will be open to them as to Officers who have entered the Navy through Osborne and Dartmouth.

9. Naval Cadets under training will be subject to the Regulations for the time being in force respectively for Cadets.

10. Parents or Guardians are required to make a private allowance of 50s. per annum to Cadets from the time they join the Naval Service until they reach the rank of Acting Sub-Lieutenant, namely for a period of about 3 years and 4 months; and thereafter a private allowance at the rate of 25s. a year for the period (usually not exceeding two months) that they remain Acting Sub-Lieutenants with pay at the rate of 35s. a day before becoming Sub-Lieutenants. On reaching the rank of Sub-Lieutenant, an Officer is required to provide himself with the uniform of a Commissioned Officer.

11. Cadets will be paid 1s. a day from the time of entry until they become Midshipmen, when their pay will become 1s. 9d. a day. On reaching the rank of Sub-Lieutenant an Officer will be paid 1s. 6d. a day. The commencing rate of pay of a Lieutenant, reached after at most two years as Sub-Lieutenant, is 10s. a day.

A Sub-Lieutenant can meet his mess and other necessary expenditure on the pay of 7s. 6d. a day.

12. The parent or guardian of every Cadet is required to provide outfit under the regulations in force. The outfit, together with a sextant, costs 10s. 2d.

13. All travelling expenses for Cadets are advanced by the Paymaster of the Naval Establishment to which they are attached, but will be charged to the parent.

Such money as may be required by Cadets for any special circumstance will be advanced by the Paymaster under the authority of their commanding officer.

14. Parents or Guardians of Cadets must, in all cases of permanent change of residence, inform the Admiralty and the Commanding Officer of the Ship in which their sons are serving.

15. Cadets may be required to withdraw at any time, if in the opinion of the Lords Commissioners of the Admiralty—

- (1) they fail to obtain a satisfactory standard, or
- (2) their conduct is unsatisfactory, or
- (3) they are considered unsuitable for the Naval Service.

It will be open to Officers, after reaching commissioned rank, to volunteer for service in any of the special branches, undertaking either navigation, Gunnery, Torpedo, or Engineering duty.

By Command of Their Lordships.

W. GRAHAM GREENE,

Maritaly, 1913.

OUTFIT.

The outfit required on joining is the same as given on pages 861-862 for a Cadet in the Training Cruiser.

SEXTANT.

Cadets after joining will be required to procure a Sextant. The regulations as to Sextants are given on page 862.

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR COMMISSIONS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for His Majesty's service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following list of defects which cause rejection may be submitted for guidance.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical examination.

1. A weak constitution, imperfect development, physical weakness, either hereditary or from chronic disease, wounds, or injuries.

2. Skin disease, unless temporary or trivial.

3. Malformation of the head, deformity from fracture or depression of the bones of the skull, impaired intellect, epilepsy, paralysis, or impediment of speech.

Candidates for Naval Cadetships must possess full normal vision as determined by Snellen's tests, each eye being separately examined, for Candidates for other branches of the Royal Navy, full normal vision is not required, but any defect of vision must be due to errors of refraction which can be corrected to normal by glasses, and vision without glasses must in any case be not less than 6/60 with each eye, and the candidate must also be able to read D=40 of Snellen's test types.

5. Impaired hearing or discharge from one or both ears or any disease of the external, middle, or internal ear.

6. Disease of the bones of the nose, or of its cartilages, nasal polypus, or disease of the nasopharynx.

7. Disease of the throat, tongue, palate, or tonsils; many unsound teeth; unhealthy gums, disease of the glands of the throat or neck, external cicatrices, if at all extensive, and especially if adherent.

11. Paralysis, weakness, impaired motion or deformity of the upper or lower extremities, from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers, or toes.

Credit is also given for teeth which have not erupted. Candidates must, however, possess some sound opposing molars and incisors. The number given above are intended as a general guide, and are not necessarily strictly adhered to, provided the general condition of the teeth is good.

ROYAL NAVAL AIR SERVICE.

REGULATIONS FOR THE SPECIAL ENTRY OF OFFICERS INTO THE ROYAL NAVAL AIR SERVICE.

1. The following regulations are for the admission of candidates from civil life into the Royal Naval Air Service for service for a limited number of years.

2. As a general rule candidates for admission must not be more than 23 nor less than 19 years of age on date of application.

3. Employment in the first instance will be for four years, after which period officers entered under these regulations will pass into the Reserve for a further period of four years' service, unless their term of active service is extended or renewed. On completion of the first year of their engagement they may, if considered suitable, be allowed to extend their original engagement to a total of 6 years' continuous service; after 4 years' service to a total of 8 years; and after 6 years' service to a total of 10 years; or alternatively they may be permitted to renew their engagement on its completion in the ordinary course. The Admiralty reserve the right of offering further continuous service after 10 years, if their Lordships see fit to do so. In all cases active or continuous service will be followed by 4 years' service in the Reserve.

4. The service will consist of employment in connection with any type of aircraft in any part of the world, either ashore or afloat.

5. Candidates selected will be entered as Probationary Flight Sub-Lieutenants, Royal Navy, and will be granted commissions when duly qualified.

6. Applications for admission should be made to the Secretary of the Admiralty, Whitehall, S.W. The form of application is to be filled in by the parent or guardian of the candidate, if he is not above the age of 21. These forms may be obtained from the Secretary of the Admiralty.

7. Candidates must be of pure European descent and the sons either of natural born or naturalized British subjects. In doubtful cases the burden of clear proof will rest upon the candidate.

8. No nomination is required.

9. Applicants who satisfy these conditions will be invited to appear before an Air Service Committee, who will interview each candidate, and examine credentials, which will have been furnished beforehand by the candidate. Details of the credentials required will be given in the application form referred to above. They will include reports from the master of the last educational establishment the candidate attended, from persons under whose authority the candidate may have been during a preceding several years, or from persons who are acquainted with the character of the candidate. The Committee will decide therefrom, on the suitability or otherwise of the candidate with regard to his abilities and general character; and will submit their recommendations to the Lords Commissioners of the Admiralty for decision.

10. Candidates will be required to pass at the same time a medical examination according to the prescribed regulations as to their physical fitness for the Naval Air Service.

11. Every candidate must be in good health, free from any physical defect of body, imperfect vision, defect of vision or hearing, and also free from predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects developed and a good athlete. It should be particularly noted that full normal vision as determined

ROYAL NAVAL AIR SERVICE—*contd.*

Spellen's test is required for candidates for the Naval Air Service. A memorandum is issued by the Admiralty which gives details of the physical requirements of candidates.

12. The Committee will sit at least twice a year, generally in April and October, and as requisite during the period of hostilities.

14. Selected candidates may be required to obtain their Royal Aero Club pilot's certificate at a private school at their own expense. If required to do so the sum of 15*l.*, or such lesser sum expended by them in their tuition, will be repaid them by the Admiralty on their obtaining their certificate. Such payment will not be made until after a reasonable period of probation, and will depend upon a satisfactory report being received from the commanding officer under whom the officer is serving. If a candidate is permitted to resign within four years of entry he may be required to refund this sum or part of it. Should a candidate fail to obtain his certificate within a reasonable time his name will be removed from the list. Gentlemen entered for temporary service are not eligible for the refund of the cost of obtaining their pilot's certificate.

15. Candidates on appointment as Probationary Flight Sub-Lieutenants, Royal Navy, will be appointed to undergo a course at one of the Royal Flying Corps Instructional Establishments.

16. This course will last about four months, and will consist of practical and theoretical instruction in various branches of Air work. An examination will be held at the end of this course.

17. The candidate, on completion of the school course, will be attached to an Air Station or Cruiser, and will be required to undergo an advanced course in seaplane work or airship work, during which time he will also receive instruction in naval matters, rifle and machine gun drill, seamanship and boat work, and other special subjects connected with the Naval Air Service.

18. On satisfactorily completing the above courses, which will take about a year, officers will be promoted to rank of Flight Lieutenant.

19. Probationary officers may be required to withdraw at any time if in the opinion of the Lords Commissioners of the Admiralty—

- (a) they fail to obtain a satisfactory standard;
- (b) their conduct is unsatisfactory;
- (c) they are considered unsuitable for the Royal Naval Air Service.

20. Parents or guardians of officers under the age of 21 must in all cases of permanent change of residence communicate the same to the Admiralty and to the Commanding Officer of the Naval Establishment in which their sons or wards are serving.

21. Any officer who at any time is found to be unfit for the duties of the Royal Naval Air Service will be liable to discharge to the Reserve or from the Service. This will not necessarily indicate that any blame is attributable to the officer. The special nature of the duties peculiar to the Air Service renders essential a very high standard of mental and physical fitness.

22. *Reserve Service.*—Officers not desirous of completing their active service may, at the discretion of the Admiralty, be permitted to transfer to the Reserve.

23. Officers of the Royal Naval Air Service will be graded in one of the following ranks:—

Flight Sub-Lieutenant with relative rank of Sub-Lieutenant, R.N.

Flight Lieutenant with relative rank of Lieutenant, R.N.

Flight Commander with relative rank of Lieutenant, R.N., over 4 years' seniority.

Squadron Commander (when in command) with relative rank of Lieutenant-Commander.

Squadron Commander when not in command with relative rank of Lieutenant over four years' seniority (but senior to all Flight Commanders). On attaining eight years' seniority in the relative rank of Lieutenant these officers will rank with Lieutenant-Commanders, R.N.

Wing Commander with relative rank of Commander, R.N.

Wing Captain with relative rank of Captain, R.N.

The rates of pay for the various grades will be:

Flight Sub-Lieutenant 10*s.* per diem.

Flight Lieutenant - 12*s.* per diem, and 1*s.* per diem in addition for each year's service as Flight Lieutenant. (Max. 16*s.*)

Flight Commander - 17*s.* per diem, and 2*s.* per diem in addition for each year's service as Flight Commander. (Max. 23*s.*)

Squadron Commander 1*l.* 6*s.* per diem.

Wing Commander - 2*l.* per diem.

Wing Captain - - 2*l.* 10*s.* per diem.

24. Flying pay for Squadron Commanders, Flight Commanders, Flight Lieutenants, and Flight Sub-Lieutenants 8*s.* per diem in addition to above rates.

25. Whilst undergoing the first four months' course of their instruction officers will receive half Flying Pay at the above rate in addition to the pay of their flying rank.

26. Whilst serving in the Royal Naval Air Service officers will rank and take command according to their grade and the date of their advancement to that grade.

27. Officers entered direct from civil life under these regulations will be embarked in a ship of war at sea for a definite period in each year in order to identify them closely with the Royal Navy and for their general instruction. Their rates of pay will not be affected during these periods except that they will not receive Flying Pay.

28. If at any time they are required to live in a military mess they will be granted a messing allowance of 2*s.* per diem in addition to their pay. This allowance will not be payable to Flight Sub-Lieutenants.

29. If messing and accommodation is not provided for the officers will receive lodging and provision allowance in lieu as payable to officers of the Royal Navy.

30. Whilst messaged and accommodated they will be required to pay the same mess subscriptions, &c., as are paid by officers of the Royal Navy.

31. Officers will be required to provide themselves with such uniform as is established for the Royal Naval Air Service.

32. An outfit allowance of 40*l.* will be granted to officers entered under these regulations; 2*l.* of this sum will be paid on first entry and a subsequent 20*l.* after successful graduation at the termination of the four months' course at one of the Royal Flying Corps Instructional Establishments. During this course officers will only be required to provide themselves with a reduced kit. Officers who leave at their own request before the expiration of their first four years' service may be called upon to refund the whole or part of this sum. Gentlemen entered for temporary service are not eligible for the full grant of 40*l.*, a sum of 15*l.* only being payable in these cases.

REGULATIONS FOR TEMPORARY APPOINTMENT OF NAVAL INSTRUCTORS FOR SERVICE IN H.M. FLEET.

Admiralty, May, 1915.

In view of special conditions which have arisen in consequence of the war, the Admiralty have decided to enter a number of Naval Instructors for temporary service.

In general it is anticipated that such service will not extend beyond four years; but it is probable that some of the officers who enter for temporary service may have the opportunity, should they desire it, of remaining on a permanent footing.

Candidates must have had an academical training and be proficient in mathematics. A knowledge of mechanical or physical science is desirable.

Those who are selected will be appointed to the Royal Naval College, Greenwich, for a course of instruction in Navigation and Nautical Astronomy, lasting not more than six months. During this probationary period they will rank as Acting Naval Instructors, and will be entitled to wear uniform. On qualifying in the subjects of the course they will receive Commissions as Naval Instructors, the Commission being dated back to the date of entry. Any officers who fail to qualify within 6 months will be discharged.

The pay from the date of entry will be at the rate of 12s. a day.*

In addition to this, each Naval Instructor entered on temporary service will be entitled, when qualified and appointed to a ship, to receive a "tuition" allowance at the rate of £5 per annum for each junior Officer under his instruction.

He will also receive a messing allowance of 2s. a day for the period of the war.

On discharge (except for misconduct or incompetence) he will receive a gratuity of £200 after two years' sea service, £300 after three years' sea service, and £400 after four years' sea service.

Candidates should apply by letter to the Director of Naval Education, Admiralty, S.W., giving particulars as to their age, present employment, academical record and other qualifications, and such experience, if any.

*During prolonged sickness or extra leave half pay 6s. a day will be allowed.

REGULATIONS FOR ENTRY OF CANDIDATES FOR COMMISSIONS IN THE MEDICAL DEPARTMENT OF THE ROYAL NAVY.

Admiralty, May, 1914.

1. Every Candidate for admission into the Medical Department of the Royal Navy must be not under 21 nor over 28 years of age on the day of the commencement of the competitive examination. He must produce an extract from the Register of the date of his birth; or, in default, a declaration made before a Magistrate, from one of his parents or other near relative, stating the date of birth.

2. He must declare—

(1) His age and date and place of birth.

(2) That he is of pure European descent* and the son either of natural born British subjects, or of parents naturalised in the United Kingdom.

(3) That he labours under no mental or constitutional disease or weakness, nor any other imperfection or disability which may interfere with the most efficient discharge of the duties of a Medical Officer in any climate.

(4) That he is ready to engage for general service at home or abroad, as required.

(5) Whether he holds, or has held, any commission or appointment in the public services.

(6) That he is registered under the Medical Act giving the date of his registration as a medical student, or of his beginning professional study.

(7) Whether he has previously been examined for entry in the Naval Service, and, if so, when.

3. The certificates of registration and birth must accompany the declaration, which is to be filled up and returned as soon as possible, addressed to the Director General, Medical Department, Admiralty, S.W., to permit of reference to the Candidate's Medical School.

4. The Dean or other responsible authority of such school will be requested by the Medical Director-General to render a confidential report as to the Candidate's character, conduct, professional ability and fitness to hold a commission in the Royal Navy.

5. The Candidate will then be interviewed by the Medical Director-General, and his physical fitness will be determined by a Board of Naval Medical Officers. The Medical Director-General will then decide whether he may be allowed to compete.

6. If accepted, he will be eligible to present himself at the entrance examination which will be held twice a year. (See heading Examinations, section 16.)

7. The appointments announced for competition will be filled from the list of qualified Candidates, arranged in order of merit; but, should it at any time be considered expedient to grant Commissions beyond those periodically competed for, the Admiralty have power to admit annually not more than six Candidates according to requirements, specially recommended by the governing bodies of such Colonial Universities as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director-General of the Medical Department of the Navy.

They will have to pass a physical examination before a Board of Naval Medical Officers in their Colony, and will be required to register their qualifications on arrival in England. They will be allowed, if they wish it, to compete at the next examination for entrance, and take their position according to the order of merit. Should they decide not to compete they will be placed at the bottom of the list. It will, however, be in any case necessary for them to pass a qualifying test at the time of the usual half-yearly examinations, when they will be required to obtain a minimum of 50 per cent. of the total marks allowed in each Subject. In case of failure in this test examination the Admiralty will not undertake to defray the cost of the return journey to the Candidate's Colony, or other expenses thereby incurred.

8. A fee of £1 will have to be paid by each candidate to enable him to take part in the competition.

9. Candidates who have served in the Officers' Training Corps, and who are in possession of the

*If any doubt should arise on this question the burden of clear proof that he is qualified will rest upon the Candidate himself.

Certificates laid down in the regulations for that Corps will be credited at the entrance examination with additional marks as follows:—Candidates in possession of Certificate A will receive 1 per cent. and those who possess Certificates A and B, 2 per cent. of the maximum number of marks allotted.

10. A Candidate will not be allowed to compete at more than two examinations.

11. A Candidate successful at the entrance examination will be appointed as Acting Surgeon in the Royal Navy and will be required to pass through such courses of instruction as the Admiralty may decide. (See under the heading Examinations.) At the end of the courses the Acting Surgeon will be examined, and, after he has passed, will be given a commission as Surgeon in the Royal Navy. The commission will date from the day of passing the entrance examination. An Acting Surgeon who fails to qualify at the above examination, that is to say, who fails to obtain at least 50 per cent. of the marks in each subject at the examination at the end of the Greenwich and Haslar Courses, will, if he so elects, be allowed a second trial at the next examination, and, should he qualify, he will be placed at the bottom of his original list; but should he again fail, his appointment will not be confirmed, and he will be required to withdraw. During the period intervening between the two examinations he will be allowed no pay from Naval Funds, and the period will not be counted as service for either promotion, withdrawal with gratuity, or retirement after 20 years' service.

12. A gold medal, a silver medal and three Navy Regulation pocket cases will be awarded as prizes in connection with these examinations; and the Gold Medallist will have a distinguishing mark after his name in the Navy List, provided he obtains at least 75 per cent. of the aggregate maximum marks in the London and Haslar examinations combined.

13. A Candidate who at the time of passing the examination for entry into the Medical Branch of the Royal Navy holds or is about to hold an appointment as Resident Medical or Surgical Officer in a recognised civil hospital, may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed one year. Pay from Naval funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retired pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Resident Medical or Surgical Officer. The eligibility of this appointment to count for time will be decided by the Medical Director General.

14. The seniority of surgeons on entry will be determined by the sum total of the marks they obtain at the London examination and the examinations at the conclusion of their probationary period as Acting Surgeon. Their names will then be placed in the Official Navy List. Candidates who hold or are about to hold a post as Resident Medical Officer or Surgical Officer to a recognised civil hospital will retain the position in the list which they obtained on entry, and when their period of service as Resident Officer is over they will join the next "Acting Surgeons' Course," and will be required to obtain qualifying marks. Surgeons entered without competition will take seniority next after the last surgeon entered at the same time by competition.

15. Surgeons on entry are required to provide themselves with a regulation pocket case of instruments.

16. Acting Surgeons under training may, if they wish, provide themselves with those articles of uniform only which are required for dresses No. 5 (Undress) and No. 7 (Mess Undress), omitting white trousers, sword and belt. On receiving commissions as surgeons they must provide themselves with the complete outfit of uniform prescribed by the regulations.

Examination for Entry.

16. Candidates will be examined by the examining board in the following subjects:—

- (a) Medicine, including medical pathology and therapeutics.

* See Clause 7 of the Regulations for Entry.

- (b) Surgery, including surgical pathology and clinical surgery.

No candidate shall be considered eligible who obtains less than 50 per cent. of marks in each subject. The examination will be held in London and will occupy four days.

The Regulations as to examination for and promotion to the higher ranks are included in the King's Regulations and Admiralty Instructions, while particulars as to pay, retirement, etc., are shown in the Navy List under the "Tables of Full and Half Pay, and under the Rules for Retirement. Post-graduate Instruction and Examination for the Rank of Staff Surgeon.

17. The Post-graduate Instruction of Naval Medical Officers will consist of two distinct courses:—

- (1) A five months' course prior to advancement to Staff Surgeon;
- (2) A second course of three months' duration for officers of not less than 14 years' seniority.

Course (1), which is compulsory for all Surgeons, will be followed by an examination before the Medical Examining Board in London, the successful passing of which will be a qualification for promotion to the rank of Staff Surgeon. The courses to be taken when a Surgeon has between 4½ and 4 years' seniority, and as near the date when the later period is completed as the exigencies of the service admit. The courses will take place twice a year.

The subjects of study and examination will be—Compulsory:—

- (a) Clinical Medicine and clinical Surgery.
- (b) Operative Surgery.
- (c) Anæsthetics (practical).
- (d) Ophthalmology.
- (e) Clinical pathology.
- (f) Hygiene.

Optional.

- (g) Throat, Nose, and Ear Diseases.
- (h) Skiagraphy.

A Surgeon who fails to obtain a pass will be allowed a second trial, but will not have a second course of instruction. Should he again be successful, he will be compulsorily retired on attaining eight years' seniority, with such gratuity as the Admiralty may see fit to grant, but not exceeding £500.

Instruction in clinical pathology and hygiene will be given at the Naval Medical School; the remaining subjects will be studied at the "Dreadnought" Hospital and other civil hospitals in London, as may be arranged from time to time by the Medical Director-General of the Navy.

The Surgeons going through the course will be accommodated at the Royal Naval College, Greenwich, and will be under the general control of the President. Their instruction throughout will be under the immediate supervision of the Professor of Hygiene, appointed in charge of studies.

Course (2) is not compulsory, but is designed to afford senior officers the opportunity of refreshing their general knowledge of surgery and medicine, and of making themselves familiar with modern advances. There will not be any fixed syllabus of instruction or examination, but arrangements will be made in each case by the medical officer in charge of studies at Greenwich to meet individual requirements, and a report will be made by this officer to the Medical Director-General at the close of the course. The officers attending this second course will also be accommodated at Greenwich.

REGULATIONS FOR THE RESERVE OF MEDICAL OFFICERS.

(Established under Order in Council of the 11th August, 1907.)

The special attention of Candidates is directed to the following rules under which Officers are allowed

to withdraw from the Service after 4 years' full pay service in the Royal Navy, with the advantage of joining the Reserve of Naval Medical Officers—(see below).

After 4 years' service in the Royal Navy, an officer, if he wishes, may pass from Active Service to the Reserve of Naval Medical Officers, when he will reap the following advantages:—

- (I) He will be granted a gratuity of £500 on passing into the Reserve.
- (II) His name will be retained in the Navy List; he will retain his Naval rank and be entitled to wear his Naval uniform under the Regulations applying to officers on the Retired and Reserved Lists of His Majesty's Navy.
- (III) If he agree to remain in the Reserve for 4 years, he will receive a retaining fee of £25 per annum. If, at the expiration of this period, he agree to remain in the Reserve for a further period of 4 years, he will continue to receive the same retaining fee.

Any Officer who from residence abroad, physical disability, or for other reason, may be considered by the Admiralty to be not immediately available for Service if required, will be liable to removal from the Reserve and forfeiture of retainer.

Should an officer prefer it, however, he may simply enter the Reserve for a period not exceeding 8 years, with power to give six months' notice of his intention to resign his position at any time (in which case he will receive no retaining fee). He may also adopt this method of Reserve Service after the expiration of 4 years' service under the conditions referred to in (III), by renouncing his retaining fee for his last 4 years' service in the Reserve.

No officer will be allowed to remain in the Reserve for a longer period than 8 years.

While belonging to the Reserve, Officers must report any change of address to the Secretary of the Admiralty.

Officers of the Reserve will be liable to serve in the Royal Navy in times of war or emergency. When called up for such service they will receive the rate of pay, viz., 17s. a day and allowances, to which they would have been entitled after 4 years' service on the Active List, and an outfit allowance of £20.

Complete copies of the Regulations for the entry of Medical Officers will be forwarded on application.

† It should be distinctly understood that Candidates entering their names are not liable in any way to serve until they have signed the Declaration, which they will only be called on to do when their services are required.

REGULATIONS RESPECTING THE ENTRY OF ASSISTANT CLERKS.

1. Appointments to Assistant Clerkships will be made by limited competition, with the following exception, viz.:—

One candidate will be nominated annually, who will be required to obtain such an aggregate of marks in Class I. as may satisfy the Civil Service Commissioners.

2. This candidate will be selected by the Board of Admiralty from sons of officers of the Navy or Royal Marines who have been killed in action or who have been lost at sea on active service, or killed on duty or who have died of wounds received in action or injuries received on duty within six months from the date of such action or injury, or who have performed long and meritorious service.

Except as regards exemption from the competitive examination, the candidate will be subject in all respects to these regulations.

All other candidates will be nominated by the First Lord of the Admiralty.

Applications to have the names of candidates placed on the list should be addressed to the Assistant Private Secretary of the First Lord of the Admiralty. Candidates for the June Examination must apply before the 31st March, and candidates for the December Examination before the 30th September. No applications received after those dates will be entertained. Application should not be made until the candidate has reached the age of sixteen.

3. Two examinations for Assistant Clerkships will be held annually—in June and December—under the direction of the Civil Service Commissioners (address—Burlington Gardens, London, W.).

Candidates will be required to pay a fee of 11. 10s. to the Civil Service Commissioners before the Educational Examination.

The Civil Service Commissioners will deal with all questions connected with such Examination, and will announce the results.

4. No candidate will be eligible for examination in June who is under 17 or over 18 years of age on the 15th July following, or for examination in December who is under 17 or over 18 years of age on the 15th January following. As proof of the candidate's eligibility in point of age, a Registrar's Certificate of Birth must be produced. A certificate of baptism alone will not be accepted.

Candidates will be allowed a deduction from age in respect of actual military service rendered in H.M. Forces during the war. An official certificate as to the period of service must be furnished.

5. The number of Assistant Clerks to be entered at each examination will be regulated by the requirements of the Service.

6. A candidate must be of pure European descent and the son either—

(1) of natural born British Subjects, or

(2) of parents naturalised in the United Kingdom

If any doubt arises upon this question the burden of clear proof that he is qualified will rest upon the candidate himself.

7. Candidates who may be successful at the educational examination will be required to pass the medical examination, according to the prescribed regulations, before the Medical Director-General of the Navy, and must be found physically fit for the Royal Navy.

They must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease, or weakness of any kind, and in all respects well developed and active in proportion to their age. The cases of short-sighted candidates, in other respects fit, will be specially considered.

A Medical Board of Appeal has been instituted to meet cases in which the parent or guardian of a candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director General of the Medical Department of the Navy, a physician nominated by the Medical Consultative Board, and a specialist in the particular defect which caused the disqualification of the candidate, to be selected from a list drawn up by the Consultative Board.

In the event of the rejection on medical grounds of a candidate, the parent or guardian will at once be informed that, subject to the payment of a fee of four guineas, the candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the parent or guardian to the Director General of the Medical Department, Admiralty, within a week of the first Medical Examination. The notification must be accompanied by a cheque for four guineas made payable to the Accountant-General of the Navy.

With a view to preventing candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in Royal Navy, it is suggested that they should undergo examination by the medical adviser of the family, or by any other qualified medical practitioner. A list of the defects which cause rejection appears on page 864.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular official Physical Examination.

8. Candidates if nominated will be required to produce (1) certificates of good conduct from the masters of any schools at which they may have been educated during the two previous years, or, if educated at home, from their tutor or the clergyman of the parish in which they reside; (2) a certificate of ability to swim.

9. Candidates will be examined in the following subjects in Class I., and must obtain such an aggregate of marks as will satisfy the Civil Service Commissioners. They will also be permitted to present themselves for examination in two other subjects under Class II.:—

Class I.	MARKS.
1. Arithmetic, including Mensuration	500

Certificate A, obtained in the Officers' Training Corps, will entitle the holder to receive 50 marks additional to the above.

An allowance of 50 marks will be given to candidates who have served in H.M. Naval or Military Forces for not less than 3 months since the date of general mobilisation. This allowance will not be given in addition to the 50 marks allowed for possession of the Officers' Training Corps Certificate A.

The Parents or Guardians of Assistant Clerks are required to pay half-yearly in advance to the Accountant-General, to be held to their credit, 20s. a year for each Assistant Clerk from the date of entry into the service until he is rated Clerk. An Assistant Clerk is rated Clerk after a year's service provided he obtains the certificate of competency required by the regulation.

It is further desirable that the parents or guardians of an Accountant Officer should be prepared to assist him pecuniarily to the extent of £100 on his promotion to the rank of Assistant Paymaster, at about 21 years of age, to enable him to obtain the uniform and other gear necessary for a Commissioned Officer.

1. A Candidate who wishes to be examined in any modern language other than French or German under Class II (d) must obtain the written consent of the Admiralty at the time of his nomination.

NOTE.—Copies of examination papers set at competitions for Assistant Clerkships in the Royal Navy, held under the direction of the Civil Service Commissioners, may be purchased, price sixpence, either directly or through any bookseller, from any of the following agents, viz. —

CONSENT OF PARENT OR ENTRY.

4. A successful Candidate on entering as Boy Artificer must produce the consent, in writing, of his parent or guardian, or nearest relative, to his entering the Royal Navy and engaging to serve for 12 years' continuous service from the age of 18.

5. Candidates are admitted as follows:—

(a) By open competition; or

(b) On the recommendation of certain Naval Commanders-in-Chief, on account of Service Claims; or

(c) By competition, limited to candidates recommended by certain Educational Authorities.

(a) *Entry by Open Competition.*

6. An open competitive examination is held in April each year (for entry in the July following), which is conducted by the Civil Service Commissioners at the same time and in the same manner as the examination for Dockyard Apprentices.

7. The vacancies for appointment as Apprentices to the various trades in His Majesty's Dockyards (*vide* the Regulations for Dockyard Apprentices) will be partly filled by Candidates at this examination who fail to obtain appointments as Boy Artificers, provided they are sufficiently high on the Examination List, and are eligible in all other respects. If they wish to be considered Candidates for these apprenticeships, they must make the necessary application before attending the examination, in the manner provided by the Regulations for Dockyard Apprentices.

8. The List of Candidates for appointments by open competition is kept at the office of the Civil Service Commissioners. All applications for the forms to be filled up by persons who wish to compete must be sent to the Secretary, Civil Service Commission, Burlington Gardens, London, W., on or after the 1st January in each year, and care must be taken that the Forms when filled up reach the Civil Service Commissioners on or before the 1st March following (or if that date should fall upon a Sunday or public holiday, then on or before the first day thereafter, on which their office is open, as no notice will be taken of forms received after that date).

9. Evidence of age and character will not be required before examination, but successful candidates will not be eligible for appointment unless they satisfy the Admiralty on these points.

10. Successful Candidates will be required to pass a Medical Examination as soon as possible after the result of the Competitive examination is known.

11. The Examination held by the Civil Service Commissioners takes place in London and Edinburgh, as well as at the several Dockyards, in the month of April in each year. The exact date may be ascertained by application to the Secretary, Civil Service Commission, Burlington Gardens, London, W., on or after the 1st January in each year. A fee of 2s. 6d. will be required from each Candidate attending the examination.

(b) Candidates with Service Claims.

15. A limited number of Candidates, not exceeding 20 annually, will be entered in July after passing a qualifying examination in April in the subjects laid down for competitive Candidates. Candidates will be nominated by the Lords Commissioners of the Admiralty from the list of Candidates recommended by the Admirals commanding the Home Ports (including Queenstown) and Fleets and Stations abroad, the Admiral Commanding Coast Guard and Reserves and the Adjutant General, Royal Marines.

16. These Candidates will be selected from the sons of Warrant Officers, Chief Petty Officers, Petty Officers (N.S.), and 1st Class Petty Officers (O.S.) of the Royal Navy; Warrant Officers and Non-Commissioned Officers, or of above the rank of Sergeant, of the Royal Marines; Established Writers of the Civil Establishments; Draughtsmen and skilled Artisans of the Dockyards, not below the rank of Charge-man.

17. Parents, if serving, should apply for a recommendation for an appointment for their sons, through the Captain of their Ship, who will transmit the request to the Commander-in-Chief of the Station; or, if not serving, they should apply to the Commander-in-Chief at the nearest Home Port. Royal Marines, if not serving afloat, should apply to the Adjutant-General, Royal Marines. All applications should be made in good time for consideration, in order that the necessary particulars of the Candidates recommended may reach the Admiralty by the 1st February.

In all cases a full statement of the father's services must be given.

In exceptional circumstances men holding the ranks mentioned in par. 16 may apply for a recommendation for boys to whom they stand in the position of guardian. Before so warding any such recommendation the Commander-in-Chief should obtain independent and satisfactory evidence that the boy has been brought up by his guardian for 5 years or more. This evidence should be forwarded with the recommendation.

(c) Candidates recommended by Educational Authorities.

18. A limited number of Candidates will be entered in January each year from a list of boys recommended on account of their educational attainments and general suitability by certain Educational Authorities throughout the United Kingdom, provided they are found physically fit for entry into the Royal Navy.

Candidates are expected to have educational attainments at least equal to those of boys who enter by open competition. They should have spent at least one year in a School providing education of a Secondary or Higher Grade Elementary type; but if in any case an Educational Authority is fully satisfied that the candidate, although he may not satisfy the above condition, has the necessary educational attainments as a result of attendance at an Evening Continuation School offering higher instruction, or otherwise, special application may be made to the Admiralty for this condition to be waived.

Recommendations must reach the Admiralty not later than 1st October each year, and no recommendation received after that date will be considered.

19. These Candidates will be required to undergo an examination which will be held locally on the third Tuesday in October each year. The examina-

on papers will be set by the Admiralty, and will be the same for all Candidates, the arrangements for holding the examination being made by the Educational Authorities concerned.

CONDITIONS OF SERVICE UNDER TRAINING.

20. On entry Boy Artificers will be provided with a free outfit, and will be placed on the books of the Mechanical Training Establishment at Portsmouth or Devonport, where they will be attached for training. During their training Boy Artificers will be berthed and victualled in these Establishments, and will be subject in all respects to Naval Discipline. Under certain conditions, and at the request of their parents or guardians living in the immediate neighbourhood, Boy Artificers will be allowed leave to stay at their homes on alternate Saturdays and Sundays.

To Boys proceeding on leave, return tickets, covering the period of leave, are issued at reduced fares by the railway authorities.

ALLIANCE OF TRADES.

21. On completion of three months' training, Boy Artificers are allotted to one of the three following trades: (1) Fitter and Turner; (2) Boiler-maker and Smith combined; (3) Copper-smith and moulder combined.

The number to be trained in each trade depends upon the requirements of H.M. Service.

EDUCATION AND TRAINING.

22. The duration of the Training will be about four and a half years. During this period the boys undergo a course of general and technical education, in addition to workshop training. Boy Artificers who fail to make satisfactory progress or are guilty of persistent misconduct, may be discharged at any time.

Part I.

23. During the first two years they will receive instruction in Practical Mathematics, English, Elementary Science, Heat, &c., in which subjects they will be examined at the end of the second year. Those who qualify in this examination will then be permitted to take the second part of the course.

Part II.

will comprise Applied Mechanics, Workshop Appliances, Electricity, Marine Engines and Boilers, and Mechanical Drawing.

At the end of their course of training an examination will be held as to their fitness as workmen, and in the subjects of the Second Part of the Course.

24. Boy Artificers who fail to pass in either Part I. or Part II. will be discharged as a rule, unless special circumstances should justify their retention, when they will be re-examined after a further period of training.

25. Those who qualify will be rated Engine Room Artificers 5th Class, and sent to seagoing ships for a period of practical sea experience.

26. On completion of this training, they may be rated Acting Engine Room Artificers 4th Class, if recommended by the Engineer Officer and approved by the Captain of their Ship, after which they will follow on the lines of other Engine Room Artificers of the Royal Navy, as laid down in the King's Regulations.

PAY.

27. The following are the daily rates of pay allowed to Boy Artificers, each rate being for seven days a week:—

First year	6s.
Second year	7d.
Third year	8s.
Over three years	9s.

The advancement from one rate of pay to the next above will be dependent on Good Conduct and Ability.

On being rated:—

Engine Room Artificer, 5th Class	3s. 6d.
Acting Engine Room Artificer, 4th Class	5s. 6d.

The pay and prospects of Engine-room Artificers, 4th Class, entered under this system will be the same as for Engine Room Artificers entered direct from the shore.

Further details respecting the entry and training of Boy Artificers in the Royal Navy are given in the special regulations, published separately, which may be obtained on application to the Secretary to the Admiralty Whitehall, London, S.W.

1. A candidate for entry as Naval Schoolmaster must be over 21 years of age and must be recognised as a certificated Teacher by the Board of Education or possess qualifications which are substantially equivalent.

2. Candidates will not be required to pass any qualifying examination, but they must be certified by the Admiralty Medical Authorities to be physically fit for service in the Navy. Medical examinations are held in London and at certain other centres, at one of which candidates selected for entry will be directed to attend.

3.—(a) Candidates accepted for appointment will be required to sign on entry an engagement to serve in the Royal Navy for 12 years continuously. They are considered as on probation for 6 months from the date of entry.

(b) Naval Schoolmasters hold the rating of Chief Petty Officer and are eligible for promotion in vacancies to Warrant Rank (Head Schoolmaster) and to Commissioned Warrant Rank (Chief Schoolmaster).

The maximum number of Chief Schoolmasters at present authorised is four, and of Head Schoolmasters 33. The number of Naval Schoolmasters is between 50 and 60.

Promotions to Chief and Head Schoolmaster are made by selection from among the Head and Naval Schoolmasters respectively as vacancies occur. Chief Schoolmasters who have served for three years in that rank may, at the discretion of the Admiralty, be granted the relative rank of Lieutenant on retirement.

(c) Nearly all Naval Schoolmasters serve in Training Establishments at Plymouth, Portsmouth, Chatham, Shotley and Queenstown, but it must be understood that they may be called on, if required, to serve in any Naval Establishment or ship at home or abroad where the services of a schoolmaster may be considered necessary.

4. A Naval Schoolmaster who completes his first period of 12 years' service without attaining Warrant rank may be permitted to re-engage for a further

period of 10 years, at the termination of which, if not promoted, he may retire on a pension or on a gratuity under certain conditions to serve to the age of 55 years.

Schoolmasters who are promoted to Warrant Rank serve until 55 years of age, when they retire on pension. They may, however, be retired at any age if found unfit or unworthy of further employment; and they may be pensioned by permission of the Admiralty at their own request at 50 years of age. At the discretion of the Admiralty they may be retained on the Active List up to the age of 60 if for the benefit of the Service.

5. The scales of pay are shown at pages 780 and 785.

6. A free kit is allowed to Naval Schoolmasters on entry, and a Gratuity of 25l. towards the cost of uniform is granted on promotion to Warrant Rank.

Schoolmasters are entitled to be lodged in the ship or shore Establishment to which they are attached, and to receive the usual service rations.

ENTRY OF DOCKYARD APPRENTICES.

EXTRACTS FROM THE REGULATIONS FOR THE ENTRY OF APPRENTICES TO THE VARIOUS TRADES IN HIS MAJESTY'S DOCKYARDS AT HOME.

Admiralty,
12th September, 1914.

1. Vacancies for appointments as Apprentices, to the various trades (including Shipwrights, Engine, Ship and Electrical Fitters, Boilermakers, Copper-smiths, Founders, Joiners, Painters, Patternmakers, Plumbers, Ropemakers, Sailmakers, Smiths, &c.) in His Majesty's Dockyards at Chatham, Sheerness, Portsmouth, Devonport, Pembroke and Haulbowline are open to public competition, and Examinations for these appointments are held in April in each year (see par. 5). The number of vacancies in the respective trades in each Dockyard will be fixed before each examination.

2. The Lists of Candidates for these appointments are kept at the office of the Civil Service Commissioners. All applications for the Forms to be filled up by persons who wish to compete must be sent to the *Secretary, Civil Service Commission, London, W.*, on or after the first of January in each year. Care must be taken that the Forms when filled up reach the *Civil Service Commissioners* on or before the 1st March following (or if that date should fall upon a Sunday or public holiday, then, on or before the first day thereafter on which their office is open), as no action will be taken on Forms received after that date.

No Candidate will be allowed to compete at any one examination for entry as an apprentice at more than one Dockyard.

3. The Candidates, who must be the sons of British subjects, *must be not less than Fifteen nor more than sixteen years of age on the first day of May in the year in which they are examined.* Evidence of age and character will not be required before the examination, but Candidates successful in it will not be eligible for appointment unless they satisfy the Admiralty on these points.

4. Every Candidate entered must be in good health and of sound constitution, and be free, as far as can be ascertained, from any disease or defect that would unfit him for the duties of an Artificer. His hearing must be unimpaired; and the sight of both eyes must be sufficiently good for the performance of any work that may be required of him. He will be required to pass a medical examination.

The medical examination of the Successful Candidates will be held as soon as possible after the result of the Educational examination is known.

Candidates will be medically examined at the Royal Naval Rendezvous, 7 Whitehall Place, London, or at a naval port or establishment, or on one of His Majesty's ships, which will be selected by the Admiralty as near as possible to their place of residence. All Candidates who at the time of their Medical examination cannot produce Certificates to the satisfaction of the Examining officers that they have been re-vaccinated, must be re-vaccinated before they can be considered eligible for entry.

* Candidates whose Fifteenth Birthday Anniversary falls on 1st May will be eligible, but those whose sixteenth Birthday Anniversary falls on 1st May will not be eligible.

5. The Educational Examination will be held by the Civil Service Commissioners in London and Edinburgh, as well as at the several Dockyards, and will take place in the month of April in each year. The exact date may be ascertained by application to the Secretary, Civil Service Commission, Burlington Gardens, London, W., on or after the 1st January in each year. A fee of 2s. 6d. will be required from each Candidate attending the Examination.

6. The Subjects of Examination and the maximum number of marks obtainable in each subject are as follows:—

English includes Handwriting, Spelling, Composition and Literature. The test in Literature will consist of questions upon a book or books prescribed from time to time by the Civil Service Commissioners.* The questions will require merely intelligent reading and not detailed study of the book. Handwriting and Spelling will be taken into account in the assignment of marks in English and other subjects.

- For the Examination of 1919—"The Adventures of Huckleberry Finn," by Mark Twain.

7. Candidates must obtain such an aggregate of marks in the examination as a whole as may indicate in the judgment of the Civil Service Commissioners a competent amount of general proficiency.

8. Candidates will be informed by letter from the Civil Service Commission of the Result of their Examination.

Those Candidates up to the required number who obtain the greatest number of marks in the subjects named in paragraph 6 will be eligible for appointment as Apprentices, and they will be allowed to select their trades according to their position on the Examination List.

9. Apprentices will be bound by indentures to serve for six years, and no Candidate will be entered unless some relative or friend is able and willing to undertake the duty of the second party to the indenture for the support, &c., of the Apprentice during his apprenticeship. No lodging or maintenance for Dockyard Apprentices is provided by the Admiralty, except as stated in paragraph 12.

10. On the expiration of their period of service Apprentices will receive a certificate as to their character and conduct, the progress they have made in their trade, and in the knowledge of the subjects prescribed for Dockyard Apprentices. Should this certificate be in all respects satisfactory, they will, subject to the approval of the Superintendent, be entered for a period of two years as journeymen, and, subject to their good behaviour, will not under ordinary circumstances be discharged during that time; eventually they will be merged with the general body of hired workmen in the respective trades.

11. The pay of Apprentices serving in the Dockyards is as follows:—

The details of the School Training of Apprentices and other particulars are given in the Regulations which may be obtained on application to the Secretary to the Admiralty, or to the Superintendent of one of His Majesty's Dockyards (see par. 1).

ENTRY OF BOY SHIP-WRIGHTS.

Boys who successfully pass the usual medical and Civil Service Educational Examination for Dockyard Apprentice, are also eligible for entry in the Royal Navy for training in the Dockyards as Naval Shipwrights. Copies of the Regulations may be obtained on application to the Secretary of the Admiralty.

* The condition of one year's service is not applicable in cases where the Special Rates are payable.

If retired on or after 1st April, 1886, 10th January, 1910, in the case of Chief Schoolmasters with the substantive, honorary or relative rank of Lieutenant, Carpenter Lieutenant or Engineer Lieutenant, the rates are the same as for Junior Lieutenants; but if promoted to the rank of Lieutenant after retirement under the provisions of Order-in-Council of 24th April, 1902, the ordinary rates are those applicable to the rank and seniority of the Officer on the Active List. The widow of a Commissioned Warrant Officer of three years' seniority who dies while on the Active List after attaining the age for optional retirement, is eligible, at the discretion of the Admiralty, for a pension on the scale applicable to Junior Lieutenants. (See Art. 1893 A. Cl. 2a of the King's Regulations.)

The widows and children of Royal Marine Gunners are awarded Pensions and Compassionate Allowances on the same scales and under the same Regulations as the widows and children of Warrant Officers of the Royal Navy.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the attached table, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that on which their husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. His Majesty's Orders in Council increasing rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living shall not be allowed to her representatives.

6. The Pensions authorised by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers:—they will only be conferred on persons deserving the Public Bounty:—the *ordinary* Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer, and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

The Widows of Naval Officers placed on permanent Half Pay or on the Retired or Pension List, on or after the 2nd August, 1910, on account of misconduct, after having completed not less than 20 years counting towards retirement or pension, may at the discretion of the Admiralty be granted pensions, provided that a deduction of not less than 10 per cent. shall have been made from the Retired Pay or Pensions to which, but for their misconduct, these Officers would have been entitled. In such cases the Widow's Pension will be reduced by half the percentage by which the husband's Retired Pay or Pension has been reduced.

Widows of retired Officers, or others formerly in the Royal Navy, having been allowed to resign their Commissions, who have been called out or have volunteered for service in case of war or emergency and have lost their lives from causes attributable to the Service, may be allowed pensions, and their Children Compassionate Allowances on the special scale applicable to the Rank held by the Officer at the time of his death, notwithstanding that he may have married whilst on the Retired List or after resignation of his Commission, and subject to the provisions of the Commutation Acts of 1871 and 1882.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband married after the age of 60 years, except Commissioned Warrant Officers, and Warrant Officers pensioned before 1st October, 1875, in whose case the limit of age is 50.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided that he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign state, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however,

grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow and provided it be clearly shown that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenant Commanders or Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commencing his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

Note.—Widows of Officers married after partial commutation will only be granted a proportion of the pension for which they would otherwise have been eligible.

x. If marriage took place after the Officer was removed from the Active List. This regulation to be only applicable to Officers who retired after 10th November 1886, and is not to apply to Widows of Retired Officers or others called out or volunteering in case of war or emergency, who lose their lives from causes attributable to the Service.

xi. If her husband, being a Medical Officer, should retire or withdraw upon a gratuity.

8. The pensions of Widows whose private incomes may, after their pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 10th November 1886, are only entitled to the Pensions of their respective classes, in the event of their husbands having to complete years' seniority as Commissioned Officers on the Active List, except the Husband be killed in action, or lose his life in the execution of his duty. If, however, the Officer had five years' seniority on the Active List, was in good health when he married, and it be clearly shown that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The restrictions as to service as Commissioned Officer on the Active List will not apply to:—(a) Officers retired before the 10th November 1886, such Officers being allowed to count their time as Commissioned Officers on the Active, Reserved, or Retired Lists as qualifying for eligibility for pension to their widows.

(b) Lieutenants, Engineer Lieutenants and Carpenter Lieutenants promoted to that rank from Commissioned Warrant Officers or Warrant Officers.

907 COMPASSIONATE ALLOWANCES TO CHILDREN, &c.

The Widow of a Mate, Commissioned Warrant Officer, Divisional Chief Officer of Coast Guard, or Chief Officer of an R.N.R. Battery, is only entitled to the rates applicable to those ranks should her husband have had one year's service in the rank, or should his death have been attributable to the Service; otherwise the rates applicable to Warrant Officers or to Chief Officers of Coast Guard Stations will be awarded.

The Widow of a Warrant Officer or Chief Officer of a Coast Guard Station with less than one year's service (acting time, if any, included) and confirmed in the rank, is not eligible for a Pension unless the Officer's death is attributable to the Service.

The Widow of a Head Schoolmaster who has been killed in action, or who has died of wounds received in action within 2 years of such wounds having been received, or who has died from illness brought on by fatigue, privation, or exposure incident to active operations before an enemy, within 2 years of his having been first certified to be ill, or who shall have completed not less than one year's continuous service as Warrant Officer at the time of his death, shall be granted a Pension, provided the marriage took place before the Officer attained the age of 45 years, and the Widow be certified as being left in necessitous circumstances and subject to the conditions laid down for the Pensions of other Officers' Widows, so far as they apply.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible, and provided as regards Officers retired after 10th November, 1886, that the marriage took place before the Officer left the Active List.

12. In all cases of a Widow re-marrying, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall, in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage within one month of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated—or by an acknowledgment of a

Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form given, or a Decree of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank and seniority of their husbands at the date when they were last on the Active List, except in the case of (i.) Captains who were advanced to the rank of Flag Officer whilst on the Retired List and who were Retired or Married before the 10th November, 1886, whose Widows are pensioned as the Widows of Flag Officers, and (ii.) Commissioned Warrant Officers retired after 1st April, 1886, with the substantive honorary or relative rank of Lieutenant, Carpenter, Lieutenant, or Engineer Lieutenant, whose Widows are pensioned as the Widows of Junior Lieutenants.

The widows of Paymasters-in-Chief who attain that rank on retirement will be awarded the same rate of Pension as widows of Paymasters-in-Chief on the Active List.

The same rate may also be awarded to the widows of Fleet Paymasters who are still on the Active List, provided that at the time of their death they have reached the age for optional retirement, and were eligible by service for, and would in the ordinary course have been granted, the rank of Paymaster-in-Chief, on retirement.

16. Widows of Marine Officers.

(a) Officers retired before 29 June, 1882.

The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the List of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the Active List shall be granted the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank on or after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

(b) Officers retired after 29 June, 1882.

The Widows of Marine Officers retired after 29th June, 1882, will be pensioned under the rules governing the award of Pensions to Widows of Officers of His Majesty's Army.

17. *Widows and Children of Officers killed in Action.* Gratitudes, under the following regulations, shall be allowed, as His Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the King's Service, in Fight with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disturbances on shore or afloat; and persons dying of their wounds within seven years shall be considered as persons slain, viz:—

1. To a Widow, a Gratuity equal to a year's Full-Pay of the rank which her husband held at the time of his death.

2. To each Orphan (who shall not be married, nor be of the age of twenty-one at the time of the father's death), one third of the Gratuity to the Widow; posthumous children shall be considered as orphans.

COMPASSIONATE ALLOWANCES TO CHILDREN, &c. 908

In the calculation of these Gratuities, the Officer's Command Money and other Full pay Allowances, except Table Money, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within seven years, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widow's Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—(1.) Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy; and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

2. The scale of Compassionate Allowances for Children of Officers is laid down in the foregoing Table, but motherless children who are not in receipt of more than 30*l.* a year from other sources may be granted allowances within a maximum of double the ordinary rates.

3. When a Medical Officer retires, or withdraws on gratuity, his children will have no claim to Compassionate Allowance.

4. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen* or are otherwise previously provided for; and *those to the Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances, the allowance may be continued, or revived should any break of continuity from under age have occurred.

These allowances may also be awarded in those special cases where the Sons and Daughters of Officers who were not in receipt of Allowances when under age, are rendered incapable of making adequate exertion for their own support through infirmity, dating from a period before the father's death, and before the Sons and Daughters reached the age at which in ordinary circumstances Compassionate Allowance would cease.

5. Children, who are being educated at the expense of Greenwich Hospital may be granted the minimum Compassionate Allowances applicable to their Father's rank, provided real poverty is proved to exist.

22. All persons alluded to in Article 20 who are in receipt of 30*l.* a year from other sources, or whose Mothers have been refused Pensions on account of private income, are considered ineligible for Compassionate Allowances under ordinary circumstances. In the case of motherless children, however, the private income limit is 45*l.*

23. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

24. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

25. Children who were born after their Fathers committed their Retired Pay are not eligible to be placed on the Compassionate List. Children born after partial commutation will only be granted a proportion of the Allowances for which they would otherwise have been eligible.

26. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half Pay of his Rank and Seniority at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half Pay of his Rank and Seniority at the time of his death.

27. *Mothers.*—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within seven years after being injured, and leaves no Widow nor legitimate Child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

28. *Sisters.*—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within two years after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

29. If there be no ordinary rate of Pension attached to the rank of the officer, such Pension may be granted as the Admiralty may see fit, in the case of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

30. Widows, Children, and other relatives of Officers who may have been granted temporary Commissions, or have held acting appointments, to be eligible for pension and allowances on the same scales as are prescribed for Officers of similar ranks holding permanent Commissions in the Royal Navy.

GOOD SERVICE PENSIONS.

The Good Service Pensions of Retired Officers are subject to the general Regulations contained in the King's Regulations and Admiralty Instructions, Art. 204A.

These Pensions shall not be held in addition to any other Pensions, unless it shall be a Pension conferred for wounds or injuries received in the Service.

A Flag Officer shall give up his Good Service Pension if he is appointed Naval Aide-de-Camp to His Majesty.

A Naval Aide-de-Camp to His Majesty deriving emolument from his office shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to officers who have commanded ships in action against the enemy.

The Good Service Pensions for Flag Officers may be conferred on Officers either on the Active or the Retired List, provided, in the case of Retired Officers, that retirement shall have taken place after attaining Flag Rank, and that the Retired Pay, together with the Good Service Pension, shall not exceed the half-pay of an Admiral of the Fleet.

Flag Officers in receipt of these Pensions shall be allowed to retain them after being retired; but, if the Retired Pay and Good Service Pension together exceed the half-pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to that amount.

An Admiral of the Fleet on the Active List shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An Officer promoted in pursuance of His Majesty's pleasure to the rank of Admiral of the Fleet on the Retired List under the provisions of the Order in Council of 22nd of February, 1870, Section X. para. 7, shall in consideration of the rank not carrying increase of Retired Pay, be allowed to retain the Good Service Pension, or if not in possession of one shall be eligible for it.

Captains, Royal Navy, shall be eligible for the award of Good Service Pensions while on the Active List only; and shall forfeit them on promotion to be Flag Officers on the Active List.

Captains, Royal Navy, shall relinquish their Good Service Pensions on retirement, and no Captain will be allowed to receive any addition to his retired pay on account of a Good Service Pension held by him upon retirement, except in case of retirement for ill health caused by the Service. In such cases Officers will receive, at the discretion of the Admiralty, an addition ranging from a minimum of 50*l.* to a maximum of 150*l.*, and the increase over the minimum will be at the rate of 15*l.* for each year's service in excess of 20 years. In no case, however, will the retired pay of a Captain exceed 600*l.* a year.

Flag Officers and Captains are allowed to receive their Good Service Pensions notwithstanding appointment to Full Pay or Civil Salary.

Should any Flag Officer holding a Good Service Pension be in receipt of, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Civil Pension, and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such supernumerary Pension shall be in existence at the same time.

Engineer-Vice-Admirals, Engineer-Rear-Admirals and Engineer-Captains shall be eligible for the award of Good Service Pensions whether on the Active or Retired List, but when a Good Service Pension is awarded to an Engineer-Captain on the Active List he shall relinquish it on promotion to Engineer-Rear-Admiral, or on retirement.

General Officers of Royal Marines shall be eligible for the award of Good Service Pensions whether on the Active or Retired Lists.

A General Officer awarded a Good Service Pension while on the Active List shall be allowed to retain it on being retired, except as provided in the following clause:—

A General Officer who has held a Good Service Pension while serving as Deputy Adjutant-General, and whose half or retired pay on vacating the appointment, together with the Good Service Pension, would amount to more than £350 a year, shall relinquish the Good Service Pension and receive half or retired pay of £350 a year.

A General Officer who has not been in receipt of a Good Service Pension while serving as Deputy Adjutant-General, and whose half or retired pay on vacating the appointment falls short of £350 a year, shall be eligible for the award of a Good Service Pension, subject to the condition that, if the half or retired pay and the Good Service Pension combined be in excess of £350 a year, a reduction will be made in the half or retired pay proportionate to such excess.

Officers retired from the position of Colonel Commandant or placed on the Reserve List of Colonels shall relinquish the Good Service Pension, but they are eligible for the Good Service Pensions for General Officers.

Colonels and Lieutenant-Colonels shall be eligible for the award of Good Service Pensions while on the Active List only, and shall forfeit them on promotion to be General Officers on the Active List.

Medical Officers shall be eligible for the award of Good Service Pensions, whether on the Active or Retired Lists.

A Medical Officer awarded a Good Service Pension while on the Active List shall be allowed to retain it on being retired.

50. Commanding Officers failing to fulfil the above conditions, unless such failure be due to death or other circumstances over which they have no control, shall no longer be entitled to hoist the Blue Ensign.

51. British merchant ships in receipt of Admiralty permission will be allowed to fly the Blue Ensign under Admiralty Warrant.

4. In order to ascertain that the above conditions are strictly carried out, the Captain of one of His Majesty's Ships meeting a ship flying the Blue Ensign may send an Officer, not below the rank of Lieutenant, on board at any convenient opportunity. This restriction as to the rank of the Boarding Officer is in no way to limit or otherwise affect the authority or the duties of Naval Officers either under the Merchant Shipping Act or in time of War.

5. Applications for permission to wear the Blue Ensign on board British Merchant Ships in receipt of Admiralty Subvention should be made direct to the Admiralty by the owners; for other Merchant Ships the application should be made through the Registrar General.

XVII.—Assistant Paymasters for Service in the Royal Navy, under Order in Council of 7th March, 1904.

(51.) Under the authority of the "Royal Naval Reserve Officers Act, 1903" (26 & 27 Vict. c. 69), as amended by Act 35 & 36 Vict. c. 73, the Lords Commissioners of the Admiralty have formed a Reserve of Accountant Officers for service in the Royal Navy in emergencies.

2. It will consist of a certain number of Assistant Paymasters who will be granted commissions as Officers of the Royal Naval Reserve under the existing regulations respecting R.N.R. Officers, so far as they are applicable to their case.

3. They will be required to undergo training in Accountant duties in time of peace, and will be liable to be called out by Royal Proclamation for service in the Fleet in any national emergency, and to continue serving during the continuance of such emergency.

(52.) To be eligible for a commission as Assistant Paymaster, R.N.R., candidates must be between 21 and 30 years of age, with a good knowledge of, and at least three years' experience in, the keeping of accounts. They will be required to produce thoroughly satisfactory testimonials from the firms in which they are employed, and to present themselves before a Board of Selection at the Admiralty.

2. Every candidate will be required to pass a medical examination before the Medical Director-General of the Navy; he must be in good health, well developed and active, free from any physical defect of body, impediment of speech, defect of hearing, or serious defect of sight, and also from any predisposition to constitutional or hereditary disease or weakness of any kind. The case of a short-sighted candidate, in other respects fit, will be specially considered on its merits.

(53.) Candidates for Assistant Paymasters who pass the medical examination and are provisionally accepted by the Board of Selection will be required to attend a preliminary course of instruction in the evenings, for at least a fortnight, and if satisfactorily reported on by the Instructing Officer, they will be given an appointment as Acting Assistant Paymaster, R.N.R.

2. This preliminary instruction will be followed by training on board one of H.M. ships on the Home Station for a minimum period of 14 days and a maximum of one month, to be repeated for three years, or until they pass an examination and are reported qualified for confirmation in their rank. The course of instruction will include the practical duties of Accountant Officers in regard to Naval Accounts and payments, and in regard to the receipt, issue, care, and preservation of provisions, clothing, and other stores on board H.M. Ships.

NOTE.—Acting Assistant Paymasters who are Pursers or Assistant Pursers in the Mercantile Marine will not be required to attend the Instructional Classes, but must perform a minimum of 21 days' training each year until confirmed.

3. Any Acting Officer, who, after three yearly courses of instruction, may not be found fully suitable in every respect to hold a Commission, will not be confirmed in the rank, but will cease to belong to the Reserve.

4. The convenience of the firms will be studied in arranging the dates of embarkation, but it is very desirable that the first period of training in the Fleet should be as long as possible.

(54.) Whilst embarked, every opportunity should be taken of fully instructing them in the practical duties of Assistant Paymasters, and with this object they should be regarded as forming part of the staff of the Paymaster.

2. It is to be understood that, whilst the minimum period of training has been fixed at a fortnight, and the maximum at a month, each year, these Officers must be discharged in time to enable them to keep their engagements with their employers. Travelling warrants may be given to them to the place from which they joined or to any not more distant place, and the usual travelling expenses will be paid.

3. At the end of the course of training a report is to be made as to the progress which they have made and whether they display the qualities expected of gentlemen filling the position of Commissioned Officers in His Majesty's Fleet.

(55.) Officers will be further expected, until confirmed in their rank, to attend the evening classes of instruction for about ten days in each year; and after confirmation they will be required to keep themselves efficient either by attending classes of instruction or by further training in the Fleet, as may be practicable.

(55a.) Assistant Paymasters (confirmed) will be allowed to volunteer for one year's service afloat, when they will receive pay at the rate of 10s. a day, equipment allowance of £15 and will be eligible for a bonus of £25 on termination of appointment (conditional on good conduct and service).

(56.) Assistant Paymasters, R.N.R., will rank with, but after, Assistant Paymasters of the Royal Navy. Those who have been confirmed in rank will, on completing four years' seniority, rank with, but after, Assistant Paymasters of the Royal Navy of four years' seniority.

2. When on duty they will wear the uniform established for Officers of the Royal Naval Reserve. If called out for service in emergency they will be granted the sum of 30s. for equipment. Before embarking for training they will be expected to provide themselves with a Duty Undress and a Mess Undress. The provision of any further articles of uniform for occasions of ceremony will be optional.

3. They are authorised to wear uniform when serving in H.M. Ships and on State occasions only.

4. They will mess in the Wardroom, paying the ordinary mess subscription of 2s. a day and other small expenses.

(57.) When called out by Royal Proclamation for service in the Fleet, or when embarking for training they will serve under the provisions of the Naval Discipline Act, and they will receive a daily rate of pay of 10s.

(58.) No money allowance will be granted to Officers attending classes of instruction.

2. Classes of instruction are held in the evenings at the Admiralty, Whitehall.

(59.) Assistant Paymasters, R.N.R., will, except when called out in emergency, be permitted to tender the resignation of their Commissions at any time. They will be liable to forfeit their Commissions should the Admiralty for any reason have no further need of their services.

2. Officers who leave the Active List for any reason before the completion of 10 years' service are liable to be called upon to resign their Commissions.

3. On reaching the age of 40, or at their own request at 35, Officers who have been confirmed in their rank and who have served not less than 10 years in the Reserve, will be placed on a retired list. Assistant Paymasters, R.N.R., at the discretion of the Admiralty.

4. Assistant Paymasters, R.N.R., placed on the retired list may, under exceptional circumstances, be granted a step in rank at the discretion of the Admiralty.

(60.) Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or while under training in the Fleet, will receive compensation in accordance with the scale applicable in the case of Assistant Paymasters of six years' seniority in the Royal Navy. If they are killed in action, or die from accident resulting from the performance of the duty, their widows and children will similarly receive allowances in conformity with the regulations.

(61.) When Assistant Paymasters, R.N.R., are embarked for training, bedding, &c., as laid down in the Regulations, may be drawn for them.

MEDALS.

Foreign Office, March 10, 1914.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in Our Navy, and Non-commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in Our Navy and Army, is only awarded for long service or meritorious conduct, rather than in bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some special engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

Firstly.—It is ordained that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll bearing this inscription "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every

additional act of bravery an additional Bar be added.

Fifthly.—It is ordained, that the Cross shall be awarded to those Officers or men who have saved Us in the presence of the enemy, and shall then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act is rewarded by the grant of such Decoration has been performed, under the following circumstances:—

1. When the Fleet or Army, in which such act has been performed is under the eye and command of an Admiral or General Officer commanding the Force.

11. Where the Naval or Military force is under the eye and command of an Admiral or Commander-in-Chief commanding a squadron or detached naval force of a General commanding a corps, or division or brigade on a distant and detached service, or such Admiral, Commander, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commander-in-Chief commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall for such description and attestation of the act as may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his special distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to, shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force,

brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

*Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-commissioned Officers or Men, shall carry with it an additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMUE.

*Under Her late Majesty's Order in Council of the 2nd of February, 1899, their Lordships are authorised to increase the ordinary Victoria Cross Annuity of Ten Pounds, by a sum not exceeding Forty Pounds a year, in any case in which a Warrant Officer, Petty Officer, Seaman or Marine, who has gained the Victoria Cross, may be found by them to be, from old age or infirmity, not due to his own fault, in poor circumstances, and unable to earn a living; provided that the Annuity, together with any Pensions of which he may be in receipt from Public Funds, shall not exceed Fifty Pounds a year.

QUALIFICATIONS FOR THE VICTORIA CROSS.

Whereas doubts have arisen as to the qualification required for the decoration of the Victoria Cross: And whereas the description of such qualification in our warrant of 29th January 1856 is not uniform:

Our will and pleasure is that the qualification shall be "conspicuous bravery or devotion to the country in the presence of the enemy," and that our warrant of 29th January 1856 shall be read and interpreted accordingly.

It is our further will and pleasure that officers and men of our auxiliary and reserve forces (Naval and Military) shall be eligible for the decoration of the Victoria Cross under the conditions of Our said warrant, as amended by this Our warrant.

Given at Our Court at Osborne, this 23rd day of April 1881, in the 44th year of Our reign,

By Her Majesty's Command,

HUGH C. E. CHILDESS.

THE ROYAL RED CROSS.

EDWARD R & I.

WHEREAS We have been pleased to take into Our consideration the services rendered by certain persons in nursing the sick and wounded of Our Army and Navy, and have resolved specially to recognise individual instances of special devotion in such service; Now, for the purpose of attaining this end, We have instituted, constituted, and created, and by these presents for Us, Our Heirs and Successors, do institute, constitute, and create a decoration, to be designated as hereinafter prescribed; and We are pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—The decoration shall be styled and

designated "The Royal Red Cross," and shall consist of a Cross, enamelled crimson, edged with gold, having on the Arms thereof the words Faith, Hope, Charity; with the date of the institution of the decoration; the centre having thereon Our Effigy.

928 ROYAL RED CROSS—CONSPICUOUS GALLANTRY MEDAL

Ireland; also upon the Queens or Princesses of Foreign Countries who may have specially exerted themselves for the nursing of the sick and wounded of Foreign Armies and Navies.

Fourthly.—It shall be competent for Us, Our Heirs and Successors, to confer the decoration upon any ladies, whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War for special exertions in providing for the nursing of sick and wounded soldiers and sailors of Our Army and Navy.

Fifthly.—It shall be competent for Us, Our Heirs and Successors, to confer this decoration upon any Nursing Sisters, or other persons engaged in nursing duties, whether subjects or foreign persons who may be recommended to Our notice by Our Secretary of State for War, or, as the case may be, by the First Lord of the Admiralty, for special devotion and competency which they may have displayed in their nursing duties with Our Army in the Field, or in Our Naval and Military Hospitals.

Sixthly.—The names of those upon whom We may be pleased to confer the decoration shall be published

in the London Gazette, and a registry thereof kept in the office of Our Secretary of State for War.

Lastly.—In order to make such additional provision as shall effectually preserve pure this honourable distinction, it is ordained that if any person on whom such distinction shall be conferred shall by her conduct become unworthy of it, her name shall be erased by an order under Our Sign Manual, from the register of those upon whom the said decoration shall have been conferred.

And it is hereby declared that We, Our Heirs and Successors, shall be the sole judge of the conduct, which may require the erasure from the register a the name of the offending person, and that it shall a all times be competent for Us, Our Heirs and Successors, to restore the name if such restoration should be justified by the circumstances of the case.

Given at Our Court at Buckingham Palace, this eighth day of September, one thousand nine hundred and nine, in the ninth year of Our Reign.

By His Majesty's Command,

R. B. HALDANE.

MEDALS, ANNUITIES, AND GRATUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July, 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-Commissioned Officers and Privates of the Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20) in the cases of Chief and First-class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities by the Lords Commissioners of His Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

By Order in Council of 22nd February 1896, the grant of an Annuity may be extended at the discretion of the Lords Commissioners of the Admiralty to all recipients of this Medal, whatever their rank or rating may have been when the Medal was awarded, on their promotion to Chief or First-class Petty Officers of the Navy, or Sergeants of Royal Marines.

By Order in Council of 20th May, 1903, a Seaman or Marine holding the Conspicuous Gallantry Medal unaccompanied by an Annuity may be awarded, at the discretion of the Admiralty, a gratuity of £20 on discharge at the completion of his term of active service, or on being invalided from the service, or on promotion to a commission.

A Seaman or Marine, who has been awarded the Distinguished Conduct Medal for service under the War Office may be awarded, at the discretion of the Admiralty, a gratuity of the same amount, when similarly discharged from the service or promoted to commissioned rank, except when such seaman or marine may be in possession of the Naval Conspicuous Gallantry Medal accompanied by an Annuity.

DISTINGUISHED SERVICE MEDAL.

At the Court at Buckingham Palace,
The 14th day of October, 1914.
Present:

The KING'S Most Excellent Majesty in Council.
WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day of October, 1914, in the words following, viz.:

"WHEREAS Her late Majesty Queen Victoria was graciously pleased, by Her Order in Council dated the 7th July, 1874, to establish a Silver Medal, known as the Conspicuous Gallantry Medal, for such Chief Petty Officers, Petty Officers and Men of the Royal Navy, and Non-Commissioned Officers and Men of the Royal Marines, as might at any time distinguish themselves by acts of pre-eminent bravery in action with the enemy:

"And whereas we are of opinion that it would be desirable to establish a Medal which could be awarded in the numerous instances of courageous service in war by Chief Petty Officers, Petty Officers and Men of Your Majesty's Navy, and by Non-Commissioned Officers and Men of Your

Majesty's Corps of Royal Marines, and all other persons holding corresponding positions in Your Majesty's Service afloat, in cases where the award of the Conspicuous Gallantry Medal would be inappropriate:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to establish a medal, to be called the Distinguished Service Medal, for such of the above classes of Your Majesty's Navy as may at any time show themselves to be foremost in action, and set an example of bravery and resource under fire but without performing acts of such pre-eminent bravery as would render them eligible for the Conspicuous Gallantry Medal."

HIS MAJESTY, having taken the said Memorial into consideration, was pleased, by and with the advice of his Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ALMERIC FITZROY.

EDWARD R. & I.

EDWARD, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, Sovereign of the Distinguished Service Order, to all to whom these presents shall come, greeting:

By Order in Council of the 2nd March 1915, it is provided that Foreign Officers of an equivalent rank to those mentioned above who have been associated

At the Court at Buckingham Palace,

The 14th day of October, 1914.

Present:

The KING'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day of October, 1914, in the words following, viz. :—

"Whereas his late Majesty King Edward VII. was graciously pleased, by his order in Council dated the 15th June, 1901, to institute a Decoration designated the Conspicuous Service Cross, to be awarded for meritorious or distinguished services before the enemy performed by Warrant Officers, or Acting Warrant Officers, or by Subordinate Officers of His Majesty's Fleet; the award of this Decoration to carry with it the right to have the letters C.S.C. appended to the Officer's name

"And whereas we are of the opinion that it would be desirable to enable the said Cross to be granted also to Commissioned Officers of Your Majesty's Navy below the rank of Lieutenant-Commander, for meritorious or distinguished services in cases where those services may not be considered sufficient to warrant the appointment of such Officers to the Distinguished Service Order, and also that the designation of the Decoration should be modified :

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the award of the said Cross to Commissioned Officers below the rank of Lieutenant-Commander in addition to those Officers who are already eligible under the Order in Council above recited.

"We beg leave to recommend that the said Cross may be designated henceforward, in these and all other cases, as the Distinguished Service Cross, instead of the Conspicuous Service Cross, and that the award of this Decoration may carry with it the right to have the letters D.S.C. appended to the Officer's name.

"We further beg leave to recommend that the Cross should bear on the obverse Your Majesty's initials in lieu of those of His late Majesty King Edward VII."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

THE ALBERT MEDAL.

WARRANT under His Majesty's Royal Sign Manual amending and consolidating the Royal Warrants relating to the ALBERT MEDAL.

EDWARD R. & I.

EDWARD THE SEVENTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, To all to whom these Presents shall come, Greeting :

Whereas Her late Majesty Queen Victoria, being desirous of distinguishing by some mark of Her Royal Favour the many heroic acts performed by Mariners and others who endanger their own lives in saving or endeavouring to save the lives of others from shipwrecks and other perils of the sea; and the many heroic acts performed on land by those who endanger their own lives in saving or endeavouring to save the lives of others from accidents in mines, on railways, and at fires, or other peril within Her Dominions, other than perils of the sea, did, by Warrants under

the Royal Sign Manual, bearing date respectively the 7th March, 1866, the 12th April, 1867, and the 30th April, 1871, institute and create for Himself, Her Heirs, and Successors, as a mark of Royal Approbation of such heroic acts, new Decorations styled respectively "The Albert Medal of the First Class," and "The Albert Medal of the Second Class," inscribed "For Gallantry in Saving Life at Sea," and Decorations similarly styled but inscribed "For Gallantry in Saving Life on Land," which Decorations Her Majesty was desirous should be highly prized and eagerly sought after

And whereas since the institution of these Decorations under the Warrants above mentioned, amending Warrants bearing date respectively the 13th September 1891, the 12th March, 1891, and the 24th March, 1901, have been given under the Sign Manual, and it is Our Pleasure still further to amend the Rules governing the award of the Decorations by abolishing the ordinance that the Medal for saving life on land shall only be awarded for acts of gallantry performed within Our Dominions,

And whereas it seems to Us expedient to consolidate the Royal Warrants relating to the said Decorations, We are graciously pleased to make, ordain and establish the following Rules and Ordinances for the government of the Decorations, which Rules and Ordinances shall from henceforth be inviolably observed and kept:

I. It is ordained that the Decorations "For Gallantry in Saving Life at Sea" shall be styled "The Albert Medal of the First Class" and "The Albert Medal of the Second Class."

II. It is ordained that "The Albert Medal of the First Class," when conferred for gallantry in saving life at sea, shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded by a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

III. It is ordained that "The Albert Medal of the Second Class," when conferred for gallantry in saving life at sea, shall consist of the like shaped enamelled Badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and shall be suspended from a dark blue riband of an inch and three-eighths in width, with two white longitudinal stripes.

IV. It is ordained that the Medals shall only be awarded to those of Our faithful subjects and others who in saving or endeavouring to save the lives of others from shipwreck or other perils of the sea have endangered their own lives, and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department.

Provided always that the preliminary steps and inquiry concerning the award of either Albert Medal inscribed "For Gallantry in Saving Life at Sea" shall, if the award be to anyone belonging to the Royal Navy or the Royal Marines, be with the Lords Commissioners of the Admiralty, and in other cases with the President of the Board of Trade.

V. It is ordained that the names of those persons upon whom We may be pleased to confer either of the Albert Medals inscribed "For Gallantry in Saving Life at Sea," shall be published in the London Gazette, and that a Register of the names of such of these persons as belong to the Royal Navy or the Royal Marines shall be kept in the Office of the Lords Commissioners of the Admiralty and a Register of the names of the persons not belonging to the Royal Navy or the Royal Marines upon whom We may be pleased to confer either Medal inscribed as aforesaid, shall be kept in the Office of the Board of Trade.

VI. It is ordained that the Decoration for gallantry in saving lives endangered otherwise than by perils of the sea shall be styled "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," and shall be inscribed "For Gallantry in Saving Life on Land."

VII. It is ordained that "The Albert Medal of the First Class," when conferred for gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letters V. and A., erect in gold, surrounded by a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life on Land," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

VIII. It is ordained that "The Albert Medal of the Second Class," when conferred for gallantry in saving life on land, shall consist of the like shaped enamelled badge, save and except that it shall be entirely worked in bronze, instead of gold and bronze, and shall be suspended from a crimson riband of an inch and three-eighths of an inch in width, with two white longitudinal stripes.

IX. It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the London Gazette, and that a register thereof shall be kept in the Office of Our Principal Secretary of State for the Home Department.

X. It is ordained that the Medals shall only be awarded to those of Our faithful subjects and others who in saving or endeavouring to save the lives of others from accidents in mines, on railways, or at fires, or other peril other than perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State of the Home Department.

The following Rules and Ordinances are ordained for the government of the Decorations whether awarded for Gallantry in Saving Life at Sea, or on Land.

XI. It is ordained that "The Albert Medal of the First Class" shall be confined to cases of extreme and heroic daring, and that "The Albert Medal of the Second Class" shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve "The Albert Medal of the First Class."

XII. It is ordained that each Medal shall be suspended from the left breast.

XIII. It is ordained that any act of gallantry which is worthy of recognition by the award of the Albert Medal, but is performed by one upon whom the Decoration has already been conferred, may, on a recommendation to Us by Our Principal Secretary of State for the Home Department, be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

XIV. In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall, by an especial Warrant under Our Royal Sign Manual, be forthwith erased from the register of those upon whom the said Decoration shall have been conferred, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our Heirs and Successors, shall be the sole Judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to order that any person who may at any time have been expelled shall be restored to the enjoyment of the Decoration.

XV. The Warrants of the 7th March, 1806, the 12th April, 1807, the 30th April, 1877, the 13th September 1881, the 12th March, 1891, and the 24th March, 1904 are hereby repealed.

Given at Our Court at Saint James's, this fifth day of June, one thousand nine hundred and five in the fifth year of Our Reign.

By His Majesty's Command.

A. Akers-Douglas.

GOOD CONDUCT MEDAL AND GRATUITY.

Extracts from the King's Regulations and Admiralty Instructions.

SEAMEN.

750. Men holding any of the Ratings specified as eligible for these awards in Appendix XV., Part I. who entered the Service prior to 1st January, 1885, and to whom they are still applicable, may be recommended for the Good Conduct Medal and Gratuity, under the following special rules. Pensioners coming under these conditions who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the Gratuity.

2. To entitle a man to a Medal—

- (a.) He must have served for 10 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension;
- (b.) He must have been recommended for it on his Service Certificate for the three consecutive years immediately preceding his application.
- (c.) He must be recommended for it by the Captain under whom he is serving when he becomes eligible.

3. After a man has been awarded seven years of such continuous "Very Good" character as will under these Regulations count towards the Medal, and should his character continue to be "Very Good," the Captain will add to the character of "Very Good" given on his Service Certificate, whenever he is required to record it, the letters R.M. (Recommended for Medal), if he should consider him deserving thereof from his invariable very good conduct and exemplary manner of performing his duties. After 12 years of such "Very Good" character, the Captain will in like manner add the letters G.R. (Gratuity Recommended).

4. Desertion, reduction to the Second Class for conduct, imprisonment, detention, or the award of character less than "Good" during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 5 and 6 of this Article, and Clause 4 of Art. 751.

5. Exceptional cases. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become a "Very Good" character, the Admiralty will consider, with reference to the grant of a Medal without Gratuity the case of any man

who can show 15 years of continuous "Very Good" character, and who has been recommended as prescribed in Clause 2, Sub-Clause (b), of this Article, notwithstanding anything he may have done or any character which may have been awarded to him, except "Bad" or "Indifferent," in his previous service.

6. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded.

7. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalidated and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of service, reckoning for pension, in which case he may retain it.

8. To entitle a man to a Gratuity:—

- (a.) He must have served for 15 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension.
- (b.) He must have been awarded the Medal and have never forfeited it.
- (c.) He must have been recommended or the Gratuity on his Service Certificate for the three consecutive years immediately preceding his application.
- (d.) He must have been continuously awarded the character "Very Good" since he received the Medal.
- (e.) He must have completed time for Long Service Pension unless previously invalidated, and must be recommended for the Gratuity by the Captain under whom he is serving at the time of application.

9. The scale for Gratuities shall be as follows:—

Chief Petty Officers, having served as £
 Chief and First Class Petty Officers
 (OS) or Petty Officers (NS) for not less
 than 10 years 30

Petty Officers (NS) having served as such or as First Class Petty Officers (OS) for not less than 10 years 15

Second Class Petty Officers (OS), with 7 years' service as such, or men of Leading Seaman rank with over 3 years' service as such, and 7 years' subsequent service in that capacity .. 10

Leading Seaman, having served as such for not less than five years 7

Able Seamen, and others

10. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as in the opinion of the Admiralty, it may be proper to award him.

11. If a man should die before receiving the Gratuity to which he may be entitled, it will be paid to his widow, or next of kin if dependent upon him, provided he shall have completed time for Long Service Pension.

12. Clauses 6, 8, and 15 to 22, of Article 751, are applicable to men who joined the Service before 1st January, 1886.

751. Men holding any of the Ratings specified as eligible for the good Conduct Medal in Appendix A, Part 1 who entered the Service after 31st December, 1884, may be recommended for the award under the following rules:—

Note.—This also applies to all boys who were under the age of 18 on 31st December 1884.

2. To entitle a man to a Medal—

a.) He must have served for 15 years with continuous "Very Good" character, and with previous character not inferior to "Good," in service reckoning for pension.

Note.—In cases where character during pensionable service has been assessed as "Good" on the 31st December in any year, time reckoning for Medal will not commence until the 1st January following.

b.) He must have been recommended for the award by his Captain on his Service Certificate for the three consecutive years immediately preceding his application.

He must be recommended by the Captain under whom he is serving at the time of application.

After a man eligible for a Good Conduct Medal under Clause 1 has been awarded 12 years' continuous "Very Good" character as under these Regulations, will count towards the Medal, and if his character should continue to be "Very Good," the Captain, if he considers him deserving thereof, is to enter on his Conduct Sheet or Service Certificate the notations of the recommendations provided for under Arts. 828 and 830, Clause 3.

4. Desertion or Reduction to the Second Class Conduct will render a man absolutely ineligible

for the award of a Good Conduct Medal, except one reduction within the first five years of a man's time, provided that by his good conduct he earned his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." See Clause 2 (a).

5. The Admiralty will nevertheless consider any recommendation which may be made in special circumstances on behalf of a man who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a man's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. From the date of the award or restoration of a Medal a Continuous Service Man, provided his character is maintained, will commence earning a Good Conduct Gratuity at the rate of 1*l*. a year which is not to be paid until he completes time for Pension. If invalided before completing time for pension, he will be paid 1*l*. for each completed year that he has served since the Medal was awarded or restored.

For each year's service in the following ratings, after the date of the award of the Medal, will be added—

To Chief Petty Officer, Petty Officer (NS) and 1st Class Petty Officer (OS) ..	£ s. d.
..	2 0 0

.. 2nd Class Petty Officer (OS) and men of Leading Seaman rank, with over 3 years' service as such* ..	1 0 0
--	-------

.. Leading Seaman, except as above ..	0 10 0
---------------------------------------	--------

until the maximum is reached, which will be, for a—

Chief Petty Officer, Petty Officer (NS) and 1st Class Petty Officer (OS) ..	£ s. d.
..	15 0 0

2nd Class Petty Officer (OS) and men of Leading Seaman rank, with over 3 years' service as such* ..	10 0 0
---	--------

Leading Seaman, except as above ..	7 10 0
------------------------------------	--------

Able Seaman	5 0 0
-------------------	-------

8. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men becoming eligible for the award.

9. If a man is awarded the character of "Good," instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

10. If a man is deprived of his Medal, he will lose all claim to Gratuity; in the event of the Medal

In the case of Ratings who are required to pass a qualifying examination for advancement to Officer, this privilege is not to apply any time served prior to passing the examination

being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5*l*. will be awarded.

11. If a man is invalided after having been awarded the Medal, and before completion of the full time for Pension, he will be awarded the amount of Gratuity in accordance with Clause 7 of this Article.

12. If a man should die after the award of his medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

13. Any man voluntarily quitting the Service before being entitled to a pension will not be entitled to a gratuity.

14. In cases where men who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

15. Men who have been paid the Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become eligible by further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same man.

16. In the case of a man who has been paid Gratuity after completing time for Pension, and whose Pension is not secured to him under Art. 194*b*, Clause 2, the Gratuity paid will be recovered from his Naval Pension if he misconducts himself during subsequent service and becomes ineligible for the award on final discharge; but in the case of a man whose Pension is secured, only so much of the Gratuity as may have been earned by service in excess of 22 years will be recovered.

17. In all these cases if the Captain should see fit to withhold the required recommendation for Medal or Gratuity he will fully record in the Conduct Book his reason for so doing and draw a line across the "R.M.G." column of the man's Service Certificate or the corresponding column of his Conduct Sheet (form S.239*a*).

18. No service can reckon for Medal or Gratuity which does not reckon for Pension but Officers' Stewards and Cooks who have not performed the necessary service in seagoing ships to qualify for Pension under Article 194*b*, Clause 4, will not be debarred from an award of the Medal if otherwise eligible.

19. Imprisonment by the Civil Power shall not prejudice a man's claim to a Medal or Gratuity unless it shall have been so directed by the Admiralty if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

20. A break in service not due to desertion, dismissal, sentence of imprisonment or detention or other misconduct on the Man's part will not be considered as breaking the continuity of his "Very Good"

character, or of recommendations for Medal or Gratuity, provided that he rejoin within five years, or, if invalided, so soon as the state of his health permits.

21. Names of Men recommended for Medals and Gratuities are to be transmitted to the Admiralty so soon as the Men become eligible for them, on Form S. 218, accompanied by their Service Certificate, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and by the District Captains of Coast Guard, and when the approval of the Admiralty has been received, the Medals are if possible to be presented before the Ship's company by the Captain of the Ship.

22. The foregoing regulations for the award of Good Conduct Medals and Gratuities apply to the Coast Guard Afloat and on Shore.

GOOD CONDUCT AND OTHER MEDALS AND GRATUITIES.

MARINES.

1192. Any Marine below the rank of Warrant Officer who enlisted after 31st December 1884, may be recommended for the award of a Good Conduct Medal under the following rules:—

NOTE.—This applies to Marines who were under the age of 18 on 31st December 1884.

2. To entitle a Marine to a Medal:—

- a. He must have served for 15 years with continuous "Very Good" character, with previous character not inferior to "Good" in service reckoning for Pension.

Note.—In cases where character during pensionable service has been assessed as "Good" on the 31st December in any year, time reckoning for Medal will not commence until the 1st January following.

- b. He must have been recommended for the award by the Captain of his Ship, or by the Commandant of his Division on his Service Certificate for the three consecutive years immediately preceding his application.
- c. He must be recommended by the Captain of the Ship or Commandant of his Division under whom he is serving when he becomes eligible.

3. After a Marine eligible for the Good Conduct Medal under Clause 1 has been awarded 12 years continuous "Very Good" character as under these Regulations will count towards Medal, and if his character should continue to be "Very Good," the Captain of his Ship or the Commandant of his Division, if he considers him deserving thereof, is to enter on his Company Conduct Sheet or Certificate the recommendations provided for under Arts. 823 and 830.

4. Desertion or reduction to the Second Class for Conduct will render a Marine absolutely ineligible for the award of a Good Conduct Medal, except for one reduction within the first five years of a Marine's time, provided that by his conduct he earns his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." (Clause 2 a).

5. The Admiralty will nevertheless consider any recommendation which may be made, in special circumstances on behalf of a Marine who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a Marine's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. Notations on Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

8. A Warrant Officer may keep and wear the Medal for Long Service and Good Conduct granted to him before promotion.

9. From the date of the award or restoration of a Medal a Marine, provided his character is maintained will commence earning a Gratuity at the rate of *1*l.** a year, which is not to be paid until he completes his time for Pension, unless he is invalided from the Service in the meantime, in which case he will be paid *1*l.** for each completed year that he has served since the Medal was awarded or restored.

To this will be added for each year's service in the following ranks or Acting and Lance Ranks in the case of Non-Commissioned Officers who are subsequently promoted to the substantive Rank after the date of the award of the Medal:—

	<i>£</i>	<i>s.</i>	<i>d.</i>
Non-commissioned Officer in Class I. . .	2	0	0
Sergeant in Classes II., III., and IV. . .	1	0	0
Corporal and Bombardier	0	10	0
until the maximum is reached, which will be, for a—			
Non-commissioned Officer in Class I. . .	15	0	0
Sergeant in Classes II., III., and IV. . .	10	0	0
Corporal and Bombardier	7	10	0
Gunner, Private, Musician and Bugler	5	0	0

10. If it is desired that Marines who have received Medals should also be given Gratuities, separate application must be made for the latter, on the Men becoming eligible for the award.

11. If a Marine is awarded the character of "Good" instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

12. If a Marine is deprived of his Medal, he will lose all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. *1*l.**, will be awarded.

13. If a Marine is invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he may be then entitled by service.

14. If a Marine should die after the award of his Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

15. Any Marine voluntarily quitting the Service before being entitled to a Pension will not be entitled to a Gratuity.

16. In cases where Marines who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the Maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

17. Marines who have been paid the Good Conduct Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become eligible by further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same Marine.

18. In the case of a Marine who has been paid a Good Conduct Gratuity after completing time for pension, so much of the Gratuity paid as may have been earned by service in excess of 21 years will be recovered from his Naval Pension if he misconducts himself during subsequent service, and becomes ineligible for the award on final discharge.

19. Whenever the Captain sees fit to withhold the required recommendation, he will record fully his reasons on the Company Conduct Sheet, and a copy of this record is to be attached to the next quarterly return. In the case of Marines on shore, the Commander-in-Chief will similarly record his reasons on Form R. 154.

20. No service can reckon for Medal or Gratuity which does not also reckon for Pension.

21. Imprisonment by the Civil Power shall not prejudice a Marine's claim to Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

22. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal Gratuity, provided that, should he be eligible for re-entry, he rejoins as soon as the state of his health will permit, and completes the required service.

23. The service of a Marine who reverts to the corps after serving in the Ship's Police or Sick Berth Staff on probation, will not be considered as broken in continuity with reference to Medal and Gratuity or Pension.

24. In the case of a Marine who has served in the Army prior to joining the Royal Marines, and whose former Army service after 18 years of age is allowed to reckon towards Naval Pension, only such portion of his Army Service will be allowed as qualifying service for a Good Conduct Medal and Gratuity as would be admitted if the service had been rendered in the Royal Marines instead of in the Army; in determining which, regard must be had to his "Register of Service" in the Army as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for three consecutive years after entry in the Marines before becoming eligible for the award in accordance with Clauses 2 and 3 of this Article.

25. Names of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty on Form S. 218 accompanied by their Service Certificates or certified copies thereof by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, through the Adjutant General, as soon as the Marines become eligible for them, and when the approval of the Admiralty has been received, the Medals are to be presented before the Ship's Company by the Captain of the ship, and in the case of Marines on shore, by the Commandants on parade.

1193. A sum not exceeding 400*l.* a year is placed at the disposal of the Admiralty, to be distributed in Annuities not exceeding 20*l.* as rewards for distinguished or meritorious service, to be granted either

before or after discharge to Sergeants who have completed 21 years' service, or have been granted a life pension on account of hurts received in action, or otherwise in the execution of duty. Such Annuities may be retained by any recipients who may subsequently attain the rank of Warrant Officer, and may be held in addition to Pension.

2. The names of Sergeants who may be considered eligible for this reward for distinguished or meritorious service by the Officer under whose command they are serving at the time of their discharge to Pension, are to be reported to, and registered in the Department of the Adjutant-General of Royal Marines, in order that when an Annuity becomes vacant it may be granted to the most deserving.

3. The Sergeants selected for this honorary distinction shall be entitled to wear a Silver Medal, having on one side His Majesty's effigy, and on the other the words "For Meritorious Service," and the name of the Sergeant, with the date of its grant; and they will not be liable to forfeiture of the Annuity and Medal, except by sentence of a Court Martial, or by conviction of felony by the Civil Power.

1194. Conspicuous Gallantry Medals and Annuities may be awarded to Non-Commissioned Officers and Privates of Royal Marines who distinguish themselves by acts of conspicuous gallantry in action with the enemy, under the provisions of Art. 159.

ADMIRALTY, June 1903.

OFFICERS ON THE EMERGENCY LIST.

GENTLEMEN WHO HAVE RESIGNED THEIR COMMISSIONS IN THE ROYAL NAVY.

(Under the Provisions of Orders in Council of the 13th May, 1901, and 11th February, 1913.)

In order that the State may not lose altogether the advantages which it has the right to expect in return for the expenses incurred in the training of Officers, a list of Officers eligible for employment in an Emergency has been established, and the Lords Commissioners of the Admiralty expect that all Officers who are permitted to resign their Commissions on the Active List for private reasons should enrol their names on this list.

Officers so enrolled are allowed to retain their Commissions and to wear the Uniform of their rank at time of resignation, but they do not receive pay, pension, or promotion when not employed.

If called up for Active Service, Officers on this list receive the full pay of their rank, and outfit gratuities not exceeding the following amounts:—

	£
Captains and Commanders and Officers of corresponding relative rank	50
Lieutenant-Commanders, Lieutenants and Officers of corresponding relative rank .. .	40
Sub-Lieutenants and Officers of corresponding relative rank	30

Officers promoted after they have been placed on the Emergency List will receive the rate of Full Pay of the higher rank, and those not so promoted the rate they were receiving when last on Full Pay.

On discharge after being called up for Active Service Officers will be granted a Bonus of 25 per cent. on the Full Pay (exclusive of Allowances) earned during their employment.

Emergency Officers voluntarily re-employed (e.g., during annual Manœuvres) will receive in addition to the full pay and allowances of their rank a bonus of 15 per cent. for every pound of full pay (exclusive of allowances) earned by them.

Equipment allowances will be granted at the following rates, provided that no Officer will receive any allowance if less than three years have elapsed between the date of his resignation and the date of his re-employment, and that no allowance will be repeated to the same Officer within a period of five years:—

	£	s.	d.
To all Officers below the rank of Lieutenant	9	0	0
To Lieutenant-Commanders, Lieutenants or Officers of corresponding rank	12	10	0
To Commanders or Officers of corresponding rank	14	10	0

Officers who may receive hurts or wounds on Active Service in the Royal Navy, and the widows and children of Officers who may be killed, or who die of injuries received on Active Service will be eligible for the grant of Pensions and Allowances as if the Officers had been on the Active List.

Ex-Officers who are placed on the List will be shown as such in the Navy List.

Any Officer who withdraws his name from the Emergency List before the age of 55 will be required to resign his Commission.

Officers actually selected to fill appointments to be taken up in time of war or emergency, will undergo such instruction as may be considered necessary to fit them for the duties they will be called upon to perform. Attendance at such courses of instruction will be under the following regulations:—

- (a) The pay is the same as would be given if called out during war or emergency, except the Bonus.
- (b) Travelling expenses of Officers attending the Courses are allowed.
- (c) Plain clothes may be worn, and no allowance for outfit is given.
- (d) Accommodation, when available, will be provided if desired.

Engineer Officers placed on the List will be selected from ex-officers whose profession continues to be connected with mechanical engineering. The nature of their employment since the date on which they resigned their commission should be stated by Candidates when volunteering, and also, if selected, once a year after their names are placed on the List.

In the same manner Medical Officers only will be selected who continue to practise their profession. The nature of their present work as medical men should be stated.

Officers are required to write annually, until they are 55 years of age, on the 1st January to the Secretary of the Admiralty, stating whether they are still fit to serve. After reaching the age of 55 Officers are required to report themselves annually between the 1st January and 31st March by letter to the Editor of the Navy List, otherwise their names will be removed from the List. They are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment which may take them away from the United Kingdom, thus rendering them not available for service in H.M. Fleet at short notice, they must first obtain the approval of the Admiralty.

Gentlemen whose names are placed on the Emergency List as volunteers to serve in case of emergency will be required to fill up and return a form which will be sent to them.

* Except in the case of Sub-Lieutenants who are eligible for promotion to the rank of Lieutenant after attaining three years' seniority.

NOTE.—For List of Officers whose Commissions have been restored under these Regulations, see p. 721.

REGULATIONS AFFECTING OFFICERS ON THE SUPPLEMENTARY LIST ENTERED UNDER ORDERS IN COUNCIL OF 29TH JUNE, 1895, AND 9TH AUGUST, 1898.

1. The Admiralty reserve to themselves the power of promoting any Lieutenant-Commander or Lieutenant entered under this scheme to the Active List of Commanders for distinguished service during war operations.

2. At the discretion of the Admiralty a Lieutenant on retirement may be granted such Honorary rank as may be considered desirable.

3. Pensions for Hurts and Wounds, Widows' Pensions, Compassionate Allowances to Children, to be at the same rate, and under the same conditions,

as those granted to Officers of the Royal Navy of corresponding rank.

4. Widows of Officers on the Supplementary List not killed in action, and who have not lost their lives in the execution of the service, who at the time of death had not five years' seniority as Commissioned Officers on the Active List, are eligible for the award of Gratuities, such Gratuities to be in every case less than the Gratuity that could have been payable to the Officer himself if he had been compelled by illness to retire from His Majesty's Navy instead of dying in it. (Order in Council, 7th March, 1899.)

ENTRY OF OFFICERS OF THE ROYAL NAVAL RESERVE ON THE SUPPLEMENTARY LIST OF LIEUTENANTS AND SUB-LIEUTENANTS, R.N., UNDER ORDER IN COUNCIL OF 7TH MARCH, 1913.

A limited number of Officers of the Royal Naval Reserve between the ages of 22 and 32 will be entered on a Supplementary List of the Navy.

Candidates will be selected from Officers of the Royal Naval Reserve who have completed 12 months' training in the Royal Navy, or who are now undergoing training.

Application for entry from Officers now undergoing 12 months' training, who may be eligible under the above regulations, will not be considered until the applicants have performed three months of the period of training. Selected candidates will be required to undergo a medical examination.

Sub-Lieutenants will be eligible for promotion to Lieutenant after one year's service from the date of entry in the Royal Navy or on the date on which they

would have become eligible for the rank of Lieutenant in the Royal Naval Reserve, but power is reserved to the Admiralty to appoint them as Acting Lieutenants at any period of their service.

In the case of Officers who may not have fulfilled the service required by the Regulations of the Board of Trade for examination for Master, promotion will be subject to their passing an examination to be held by the Board of Trade.

Lieutenant-Commanders and Lieutenants on the Supplementary List will be eligible for promotion to the rank of Commander in cases of very exceptional service.

The rates of full pay will be the same as for Lieutenant-Commanders, Lieutenants and Sub-Lieutenants, R.N., and Sub-Lieutenants on the

Supplementary List will receive a messing allowance of 1s. a day in addition. It is contemplated that continuous employment on full pay will be found for all Officers entered on the Supplementary List, except when they may be on half pay either through misconduct or at own request, or when full pay shall have ceased in consequence of sickness. Half and Retired Pay, and gratuities, will be at the rates laid down for Officers entered on the Supplementary List under earlier Orders in Council. The rates of full, half, and retired pay, mentioned above, are shown in other parts of the Navy List.

At the discretion of the Admiralty a Lieutenant-Commander or Lieutenant on retirement may be granted the retired rank of Commander under the conditions applicable to Lieutenant-Commanders and Lieutenants generally.

Pensions for wounds and injuries, widows' pensions,

and compassionate allowances for children will be at the same rates and under the same conditions as those granted to Officers of the Royal Navy of corresponding rank.

Officers on entry will cease to be entitled to retain living fees.

The full equipment grant of 30*l.* will be given to Sub-Lieutenants and 40*l.* to Lieutenants, in consideration of their having to obtain naval uniform, provided that they have not received any outfit allowance on appointment to one of His Majesty's Ships for training within the two years immediately preceding the date of entry on the Supplementary List.

An Officer who has received outfit allowance within such two years will receive only half the equipment grant, or the difference between what he has already received and the full rate.

If only acting in the rank, they shall rank and command after Officers holding the corresponding confirmed rank, and in relation to each other shall rank and command according to the order in which their names stand in the Official List of the Officers of the Royal Navy, unless the Admiralty may otherwise direct.

Officers of the Royal Naval Air Service shall rank with each other and command in the order in which they stand on the Official List of the Royal Naval Air Service, and each Officer, so long as he remains on that List, shall be subordinate to every Officer whose name stands higher than his own, whatever may be their respective positions in other branches of the Royal Navy.

Further, no Officer of the Royal Naval Air Service (except those holding executive rank in the Royal Navy) shall ever assume any charge or command whatsoever except that which may appertain to the Air Service, or relate to the Officers or men thereof, unless he receives express authority to assume such charge or command either from the Admiral or, in case of emergency, from the Senior Naval Officer present. 8. Officers in command of His Majesty's Ships must take rank and precedence of Officers placed under their Command on all occasions, whether on shore or afloat.

9. When Commanders, Lieutenant-Commanders, Lieutenants, or Sub-Lieutenants, who are seniors to the Executive Officer, are appointed for Navigating duties, they will succeed to the command of the Ship, in the absence of the Captain; but they are not to take upon themselves the routine duties of the Executive Officer except by order of the Captain or in case of necessity.

10. All Officers of the Military Branch are liable to be called upon to perform Navigating and Pilotage duties in His Majesty's Ships, but the additional pay to Commanders, Lieutenant-Commanders, Lieutenants, and Sub-Lieutenants for the discharge of such duties, is contingent on their having passed the necessary examination in Pilotage.

11. Lieutenant-Commanders, Lieutenants and Sub-Lieutenants appointed for Navigating duties are to take a share in the ordinary duties of their Ships, such as watch keeping, acting as Divisional Officers, &c., but this participation in the ordinary duties is not to interfere with their special navigating duties and is to be arranged at the discretion of the Captain.

12. At Courts of Inquiry, Surveys, and other similar assemblages of Officers, the Officer who, in virtue of his office, would, under these Regulations take the military command, is in all cases to preside, irrespective of the relative rank of the other members whose precedence on such occasions shall be determined by the table given on page 861.

The Order in Council provides that they shall not be eligible to take command of His Majesty's Ships, and that in all details relating to the duties of the Fleet and to the discipline and interior economy of His Majesty's Ships they shall be subject to the authority of any Officer who may be in charge of the Executive duties of the Ship, or acting as Officer of the Watch, or specially detailed for the charge of any other special service or duty, of whatever seniority such Officer may be.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE KING'S REGULATIONS.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall, subject to exceptions provided for in Chapter III. of the King's Regulations and Admiralty Instructions, be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, unless the relative rank is granted at the discretion of the Admiralty, or is dependent on the attainment of seniority or completion of service. In the latter case it shall take effect from such attainment of seniority or completion of service in the particular rank.

(For Table, see p. 951.)

Nothing contained in these regulations is to be considered as giving a claim to any Officer of the Navy to assume command of His Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of His Majesty's Squadrons of Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government of His Majesty.

When Officers of the Navy are employed on shore, in joint service with His Majesty's Land Forces, their relative rank shall carry with it all the precedence and advantages, except command, attaching to the rank with which it corresponds, and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief of the East Indies is regulated by the Royal Warrant of precedence in India.

It is His Majesty's pleasure that the following rules be observed in the Colonies in regard to the precedence of Naval and Military Officers in command of His Majesty's Forces:

- a. The Officer in command of His Majesty's Naval Forces on the Station, if of the rank of an Admiral, and the Senior Officer in command of the troops, if of the rank of a General, are to have precedence next after the Governor, their own relative rank being determined by the Regulations on that subject. Governors of other Colonies shall rank next after such Naval and Military Officers.
- b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel and the Officer in command of His Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedence next after the Bishop and the Chief Justice, their own relative rank being determined by the regulations on that subject.
- c. The Officer in command of His Majesty's Naval Forces on the Station, and the Senior Officer in command of the troops, if below the rank of Colonel or Lieut.-Colonel, are to continue to take rank, as has heretofore been the case, next after the Solicitor-General.

Whilst, however, these rules will take effect in every place in which His Majesty's Instructions, communicated through the Secretary of State, avail for the purpose, they will not override the precedence which in a few Colonies is conferred upon certain officers, either by law, or by the terms of Letters Patent from the Crown; which instruments cannot be set aside or altered except by the issue of others having the same form and equal authority.

PRIZE MONEY.

PROCLAMATION.*

VICTORIA, R.

WHEREAS by Our Order in Council of this day's date we were graciously pleased to annul, from and after the thirty-first day of October next, Our Royal Proclamation of the third day of August one thousand eight hundred and eighty six, regulating, according to the Scheme set forth therein or recognised by the same, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Salvages under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Robbing Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Government and Classification of the Shares being made, it is expedient that Provision should be made for the future Distribution of such net Proceeds of Salvage not otherwise specially apportioned, and of other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the manner of Prize Money.

We do, therefore, now make known to all Our loving Subjects, and to all others whom it may concern, by Our said Proclamation, by and with the advice of Our Privy Council, that Our Royal Will and Pleasure is, that we do hereby direct, That Ships or Vessels being taken of a prize, as also of the captor, under circumstances to cause intimidation to the prize and its crew, or to the captor, shall be alone entitled to such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of Prize Money, shall be made as follows, viz.:

That the flag officer or officers shall have one-third part of the whole net proceeds arising from prizes captured from the enemy, and from all other prizes and seizures, &c., as aforesaid, made by any ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save in any case hereinafter provided and directed, that may be:

When there is but one flag officer he shall have the one-third part; when two flag officers shall share together, the chief shall have two thirds, the other flag officer shall have the remaining third of the one-third part; and when there are more than two flag officers, the chief shall have half of the said one-third part, and the remaining half shall be equally divided among the other flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided also, That no flag officer, unless actually on board our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ships or vessels of war, privateer or privateers belonging to the enemy, shall share in the distribution of any money or bounty money granted as a reward for taking, sinking, burning, or otherwise destroying such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which award shall be made, or have personally aided or assisted in the transaction at the time the service is rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures

seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of Our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted:—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station, except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed, shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from Our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said Commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order

* Amended by Order in Council dated 28th August, 1914 (vide page 954).

issued by some other flag officer duly authorised or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

GEORGE SAVE THE QUEEN.

At the Court at Buckingham Palace.

The 28th day of August, 1914.

Present:

THE KING'S Most Excellent Majesty in Council.
WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 26th day of August, 1914, in the words following, viz:—

"Whereas Her late Majesty Queen Victoria was graciously pleased by Her Royal Proclamation of the 17th day of September, 1800, to regulate, according to the scheme set forth therein or recognised thereby, the distribution of the net proceeds of prizes captured from the enemy, of captures and seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the abolition of the Slave Trade, for the capture and destruction of Pirates and Piratical Vessels, and of the rewards conferred for the same, as also, of the awards for all salvage granted to the Crews of Your Majesty's Ships and Vessels of War, when not otherwise specially apportioned by the terms of the respective awards and allowances:

"And whereas we are of opinion that the conditions governing the distribution of the proceeds of Prizes captured from the enemy when such proceeds are granted by Your Majesty to the Officers and Men of Your Majesty's Fleet, require modification to bring them into accord with modern conditions:

"And whereas it is intended that in lieu of the system of distribution of Prize Money described in the above mentioned proclamation there should be substituted, under regulations and conditions to be hereafter announced, a system of Prize Bounties or Gratualties for more general distribution to the Officers and Men of Your Majesty's Naval Forces:

"We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council, to cancel so much of the above-mentioned Proclamation as relates to the distribution of the net proceeds of Prizes captured from the enemy."

HIS MAJESTY, having taken the said Memorial into consideration, was pleased, by and with the advice of his Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ALMERIC FITZROY.

THE object of the Institution is to provide for the fatherless children of our Seamen and Marines a useful and religious education, according to the principles of the Church of England, and to support and clothe them as far as the Funds will admit.

Numbers of such children are found in our Naval Ports, surrounded by all that is distressing in poverty and vicious in morals.

In the Female Orphan Home there are 113 girls dependent on the funds of the charity (eligible for admission between the ages of seven and eleven years) who are entirely maintained, clothed, and educated; and who, under the guidance of a careful matron, are subject to a course of industrial training to qualify them for domestic service.

Besides these there are in the Home 30 girls, whose maintenance is paid for from the funds of Greenwich Hospital; and four from the Royal Patriotic Fund, those sent in each case being admissible according to the Rules of the Institution.

The Directors depend on voluntary contributions for funds to carry on the Institution. The number of children they can receive depends upon the amount of their Funds. They therefore confidently appeal to the charitable for help in carrying on and extending these works of usefulness, and rescuing from want and misery the fatherless children of those who have served their country, and who, in many cases, whilst thus engaged, have lost their lives in war, or by storm, shipwreck or disease.

Visitors are earnestly invited to view the Institution, which is open daily for inspection from 11 a.m. till 3 p.m., Saturdays excepted.
